

After a month of becoming Sex-friends with Uraraka, Midoriya was waiting for her to have sex at an unused training room, like they usually would. But on that day, she wouldn't show up.

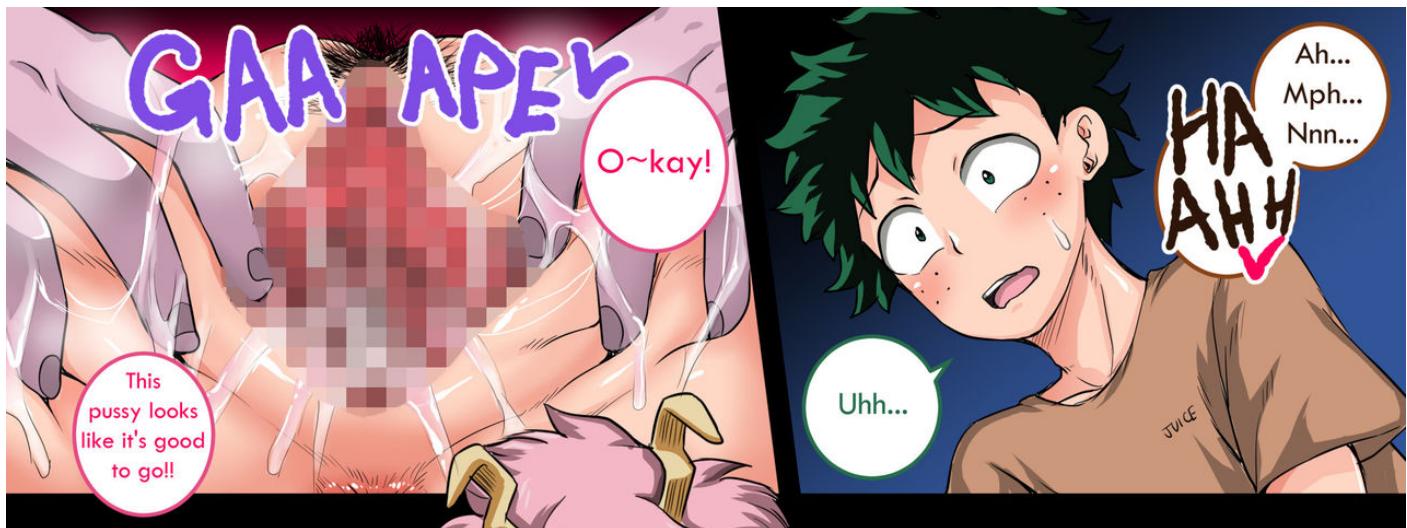

Instead, Asido Mina: an outgoing cheerful girl in his class came into the room. Wondering why she would stumble up into this room, Midoriya soon realized she had a big secret... a deep love for anal pleasure.

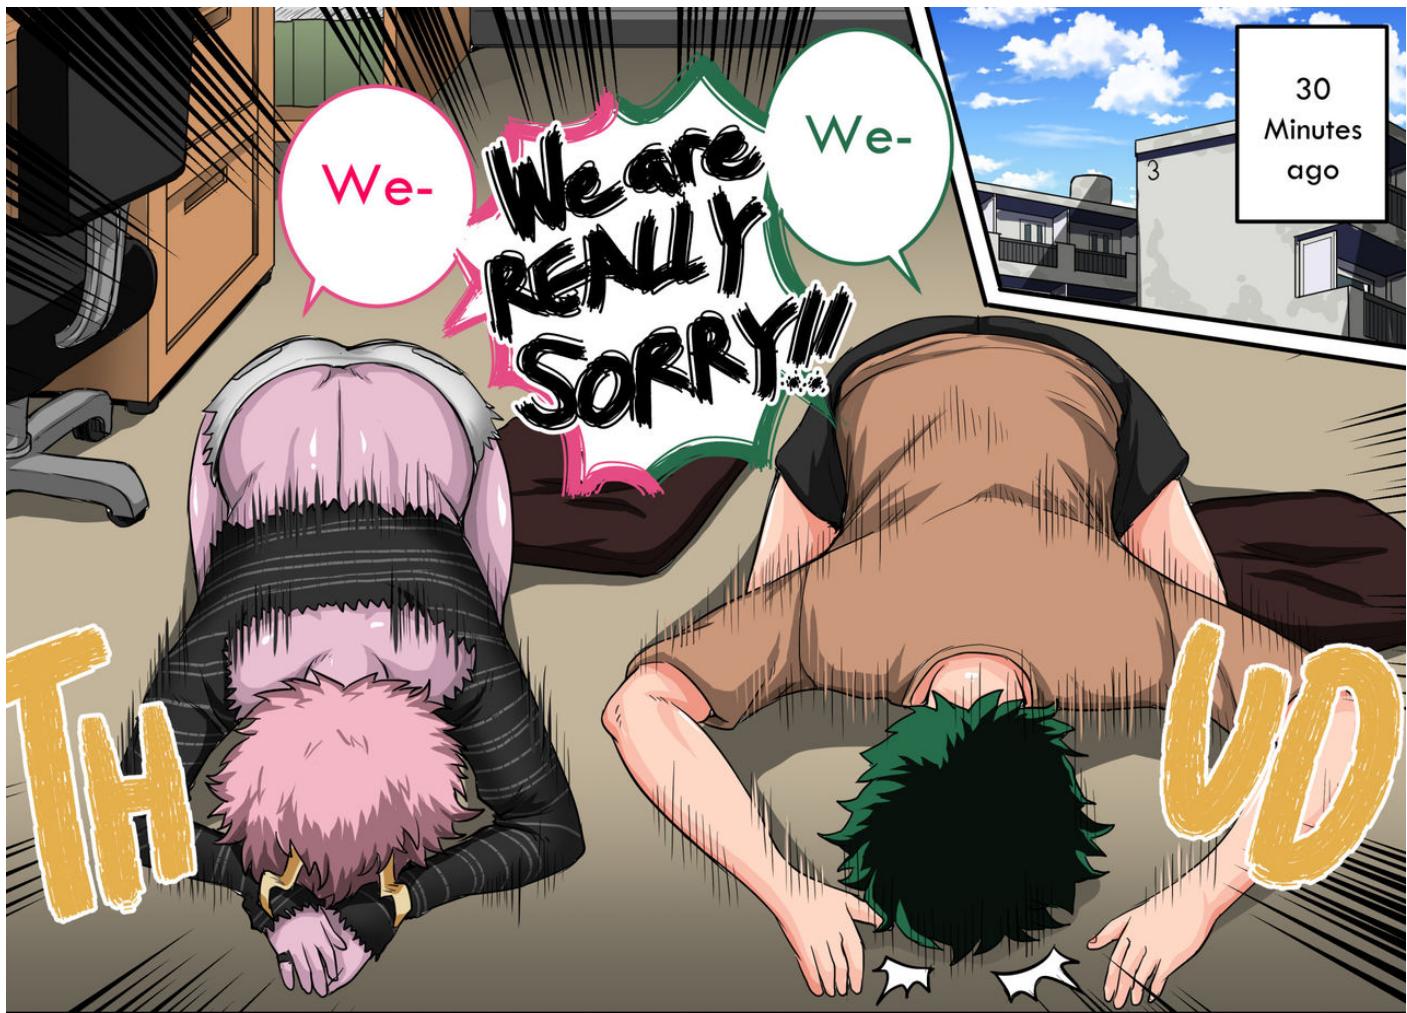

Midoriya would see Asido masturbating with her ass and would soon follow her, ending up being caught red-handed. They eventually end up having anal sex, having Asido realize Deku's hidden quirk, and both knowing each other's dirty little secret.

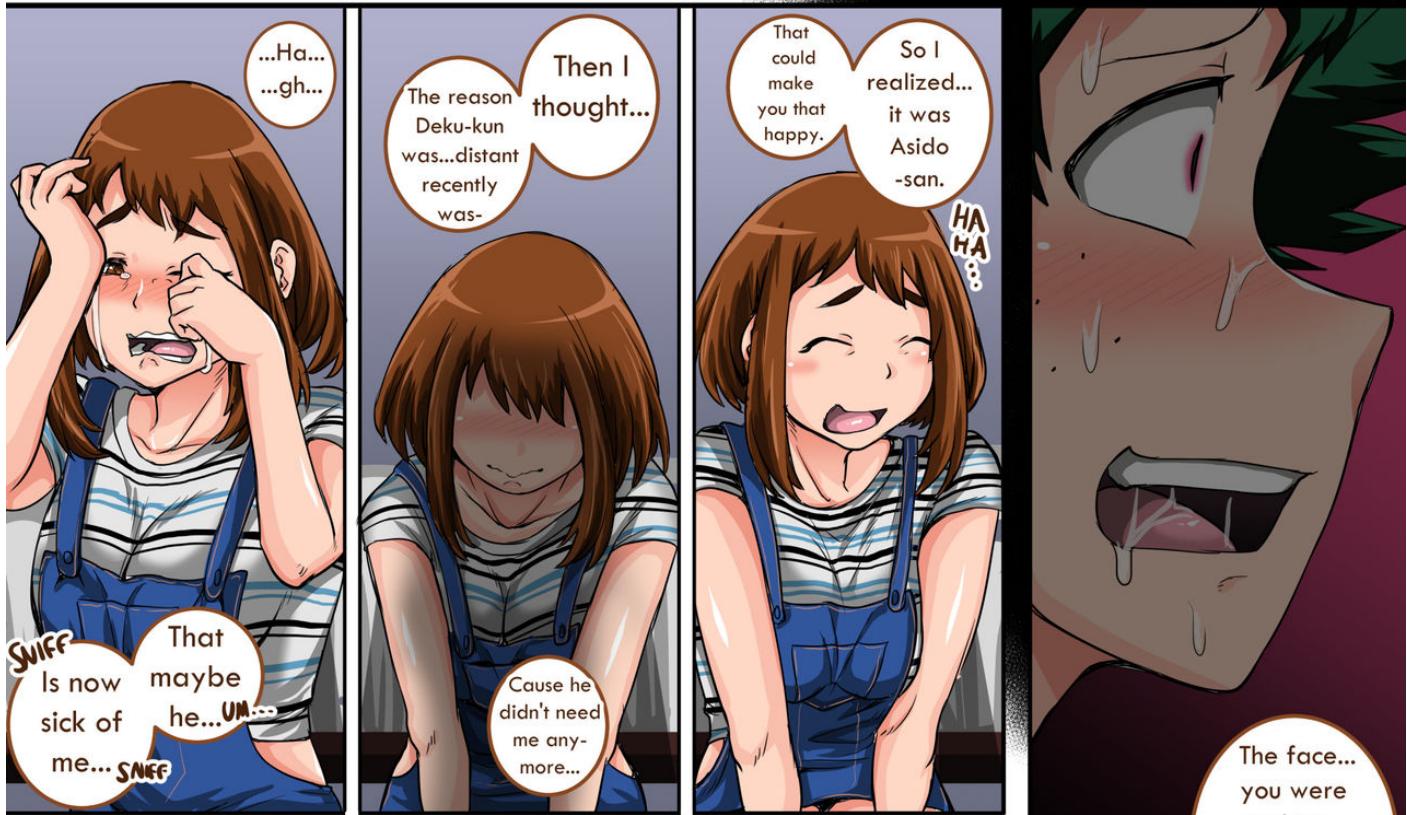

After that day Asido would ask Midoriya if he would like to be her Maturbating Toy Partner; a pact where the two would have sex with no emotional connections, just for the pleasure. Midoriya agrees, and later ends up having sex with two of his classmates, which Uraraka has no idea of.

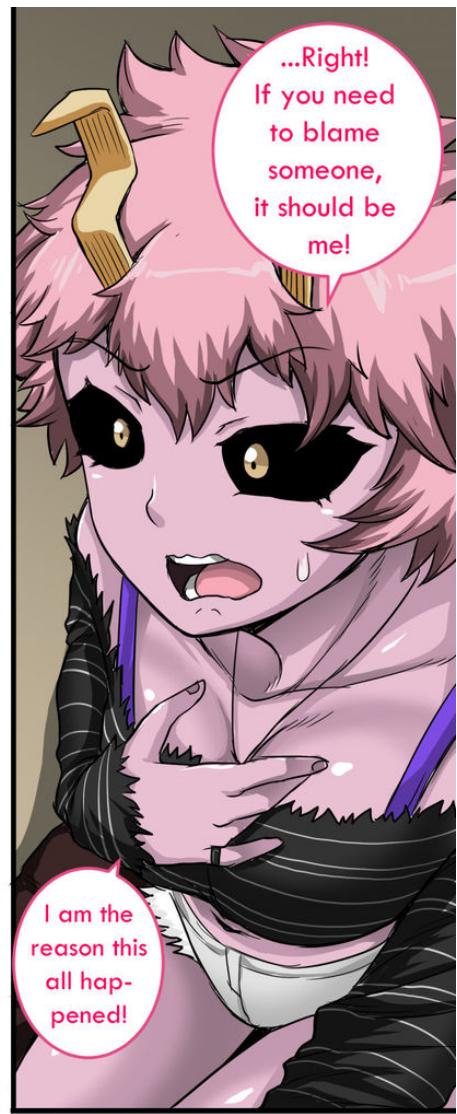

But due to Asido's devilish prank-loving and thrill seeking personality, the relationship got more and more lazy about keeping things a secret and eventually, gets caught by Uraraka...

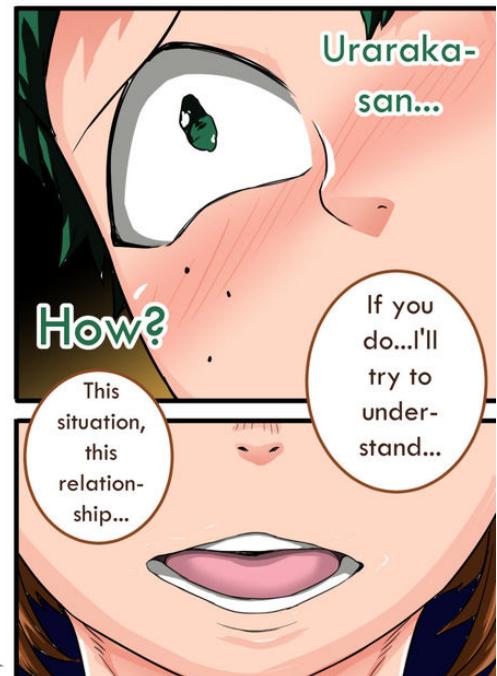

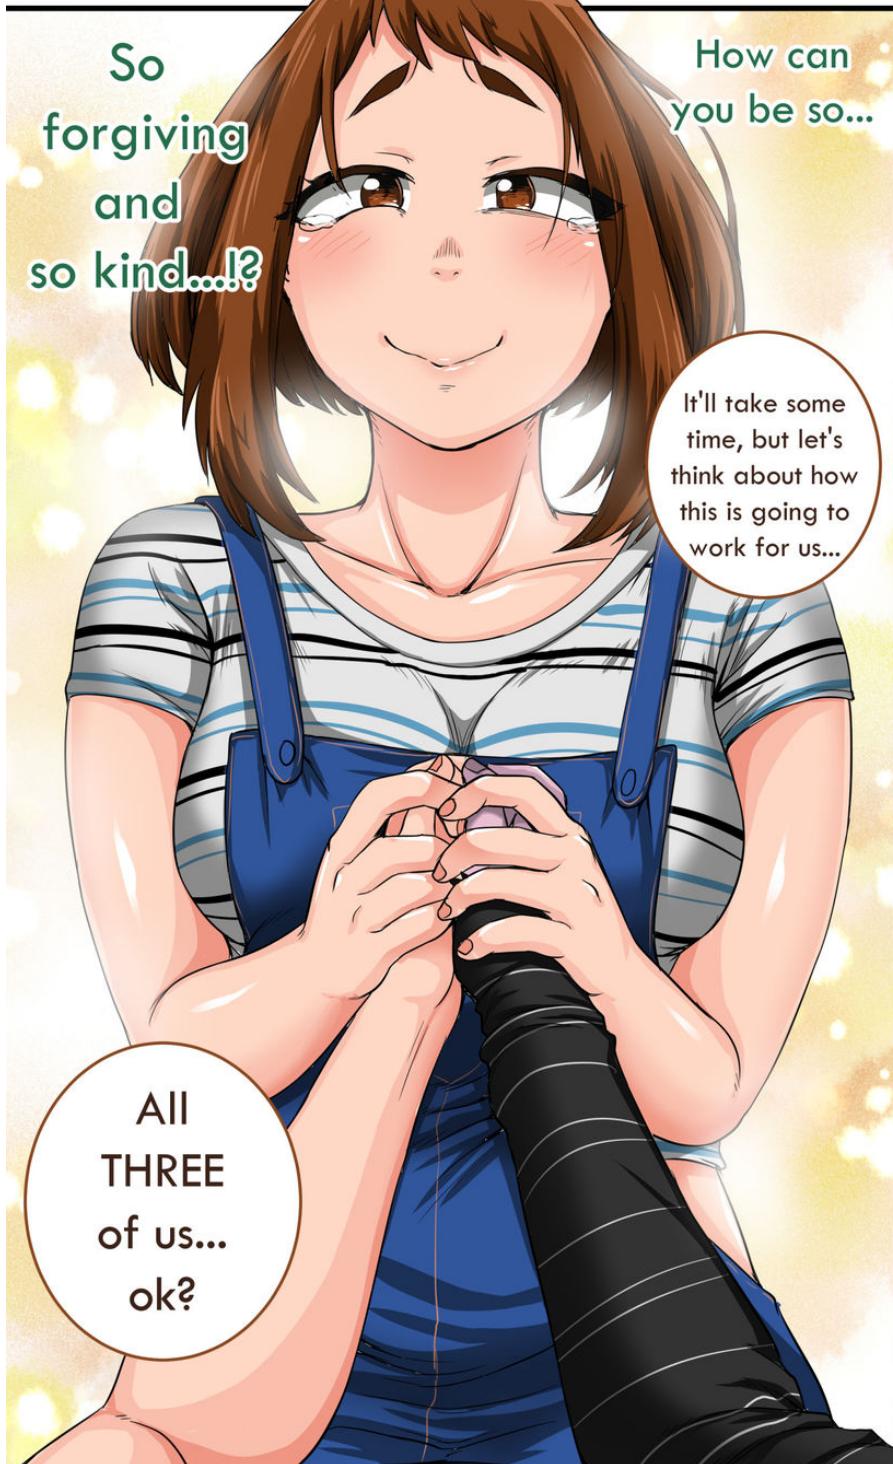

And now...

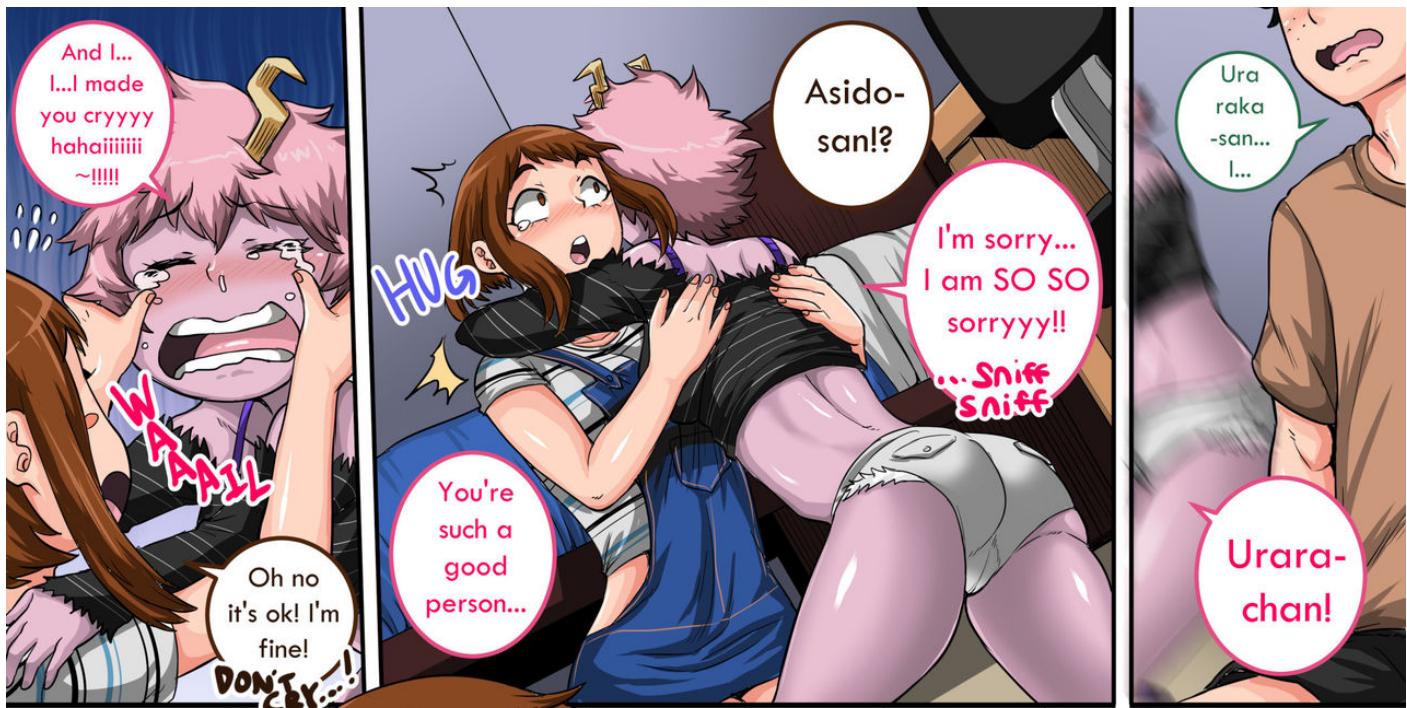

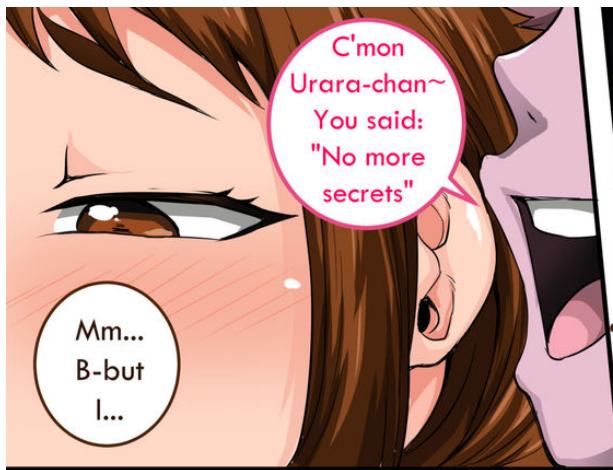

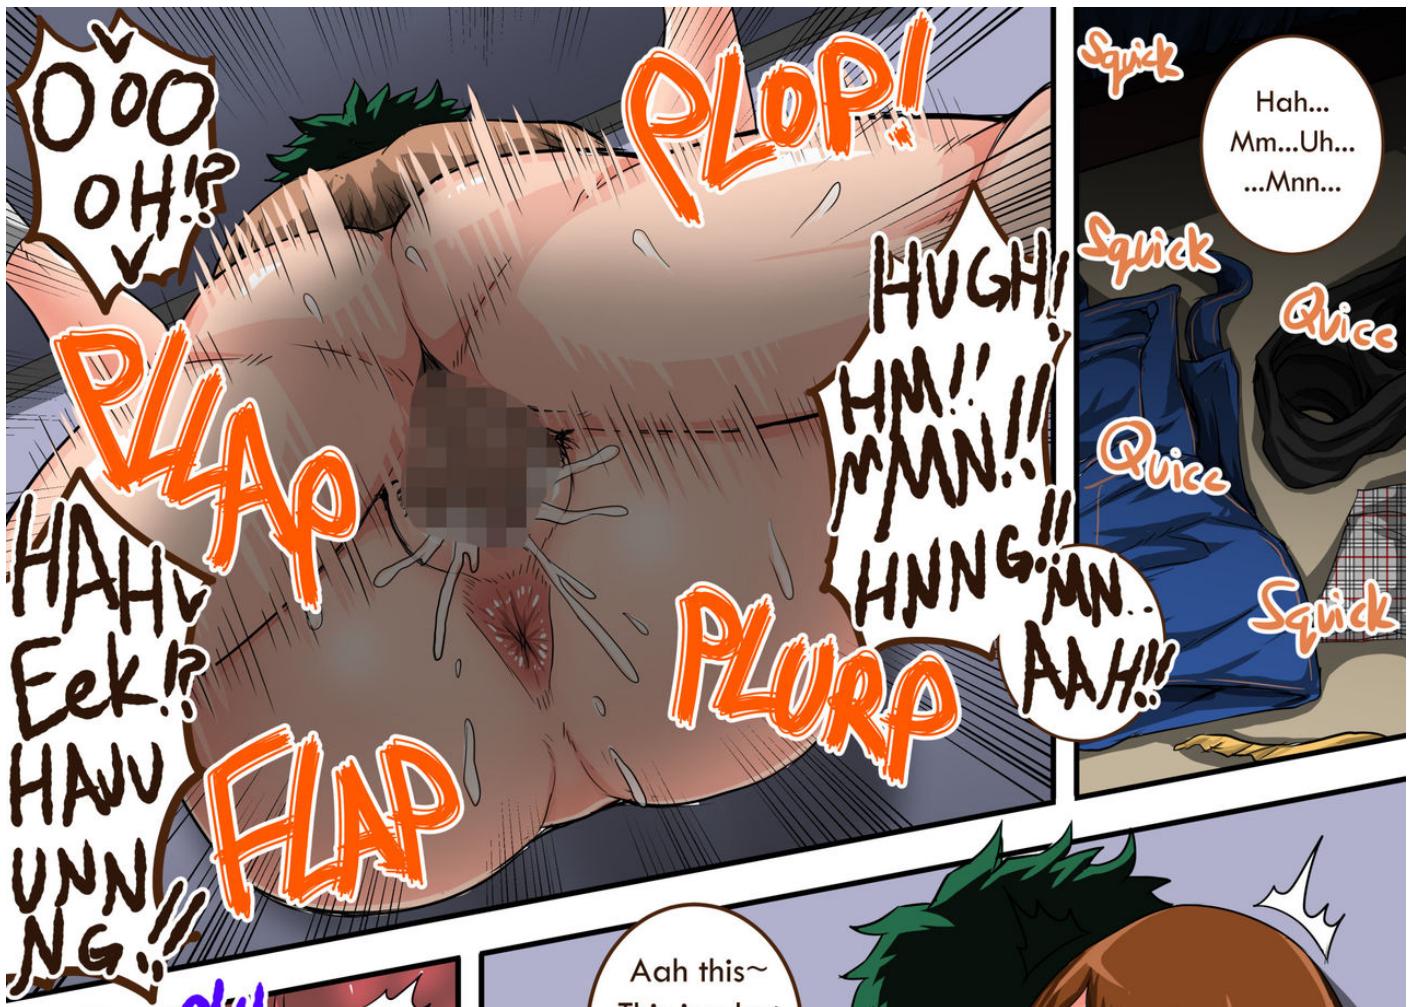

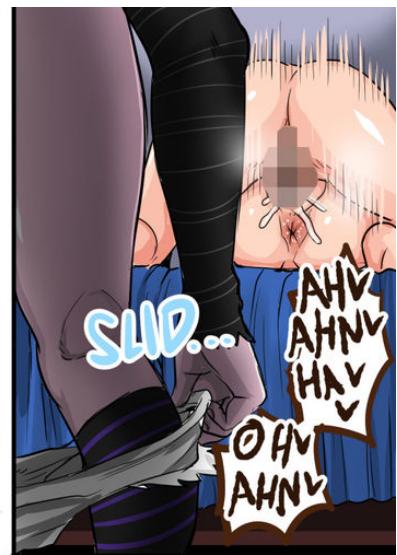

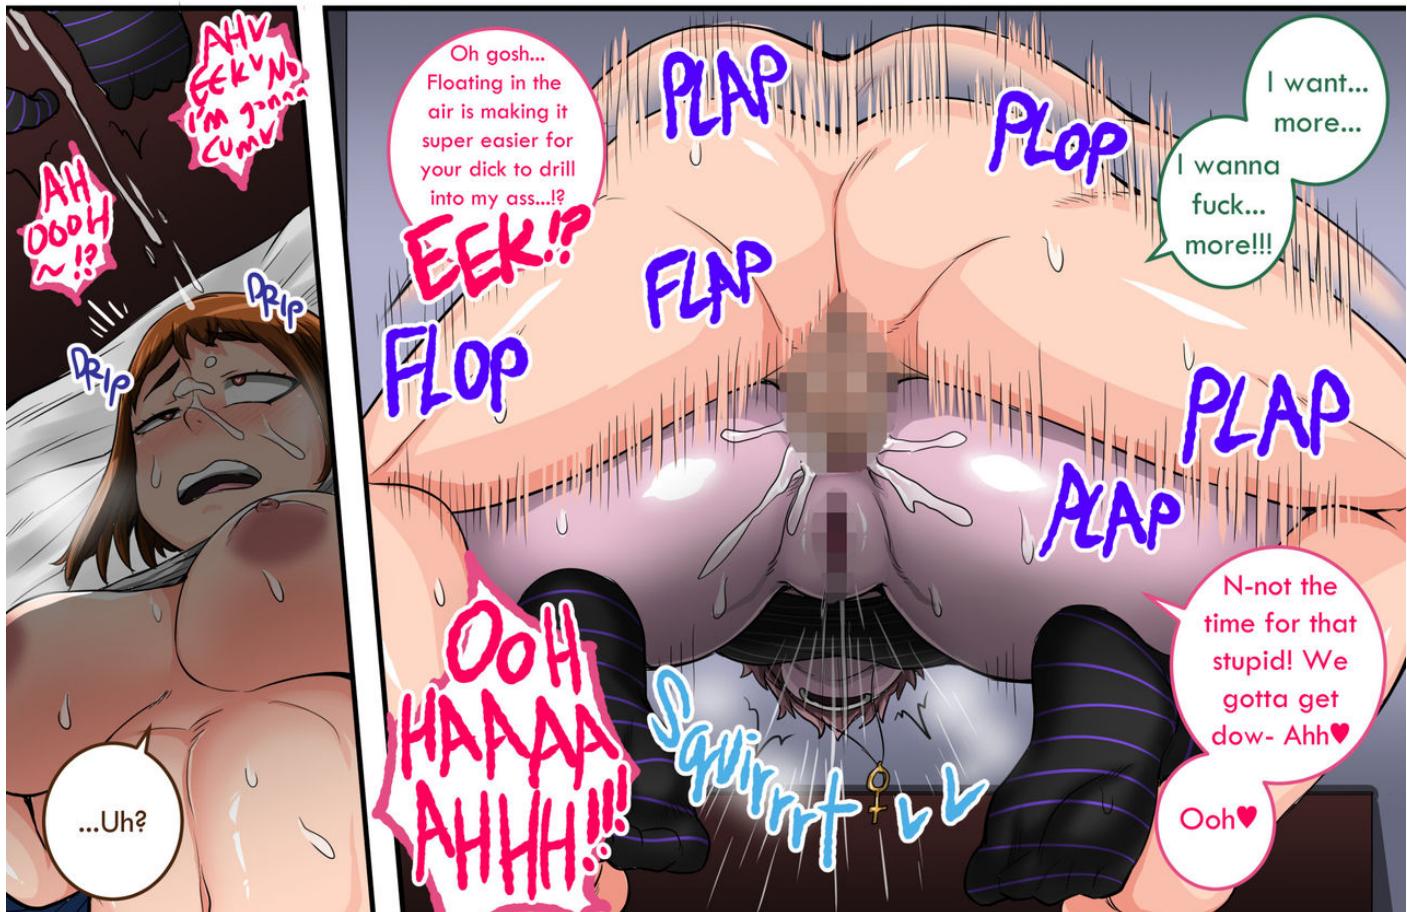

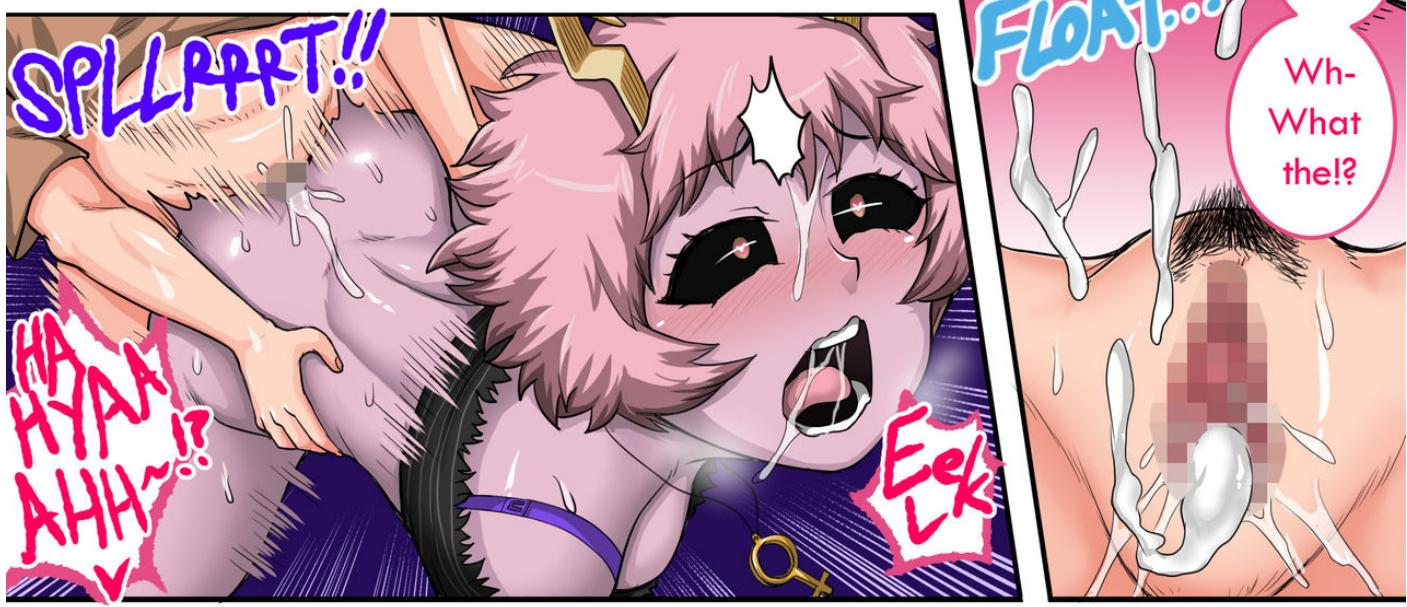

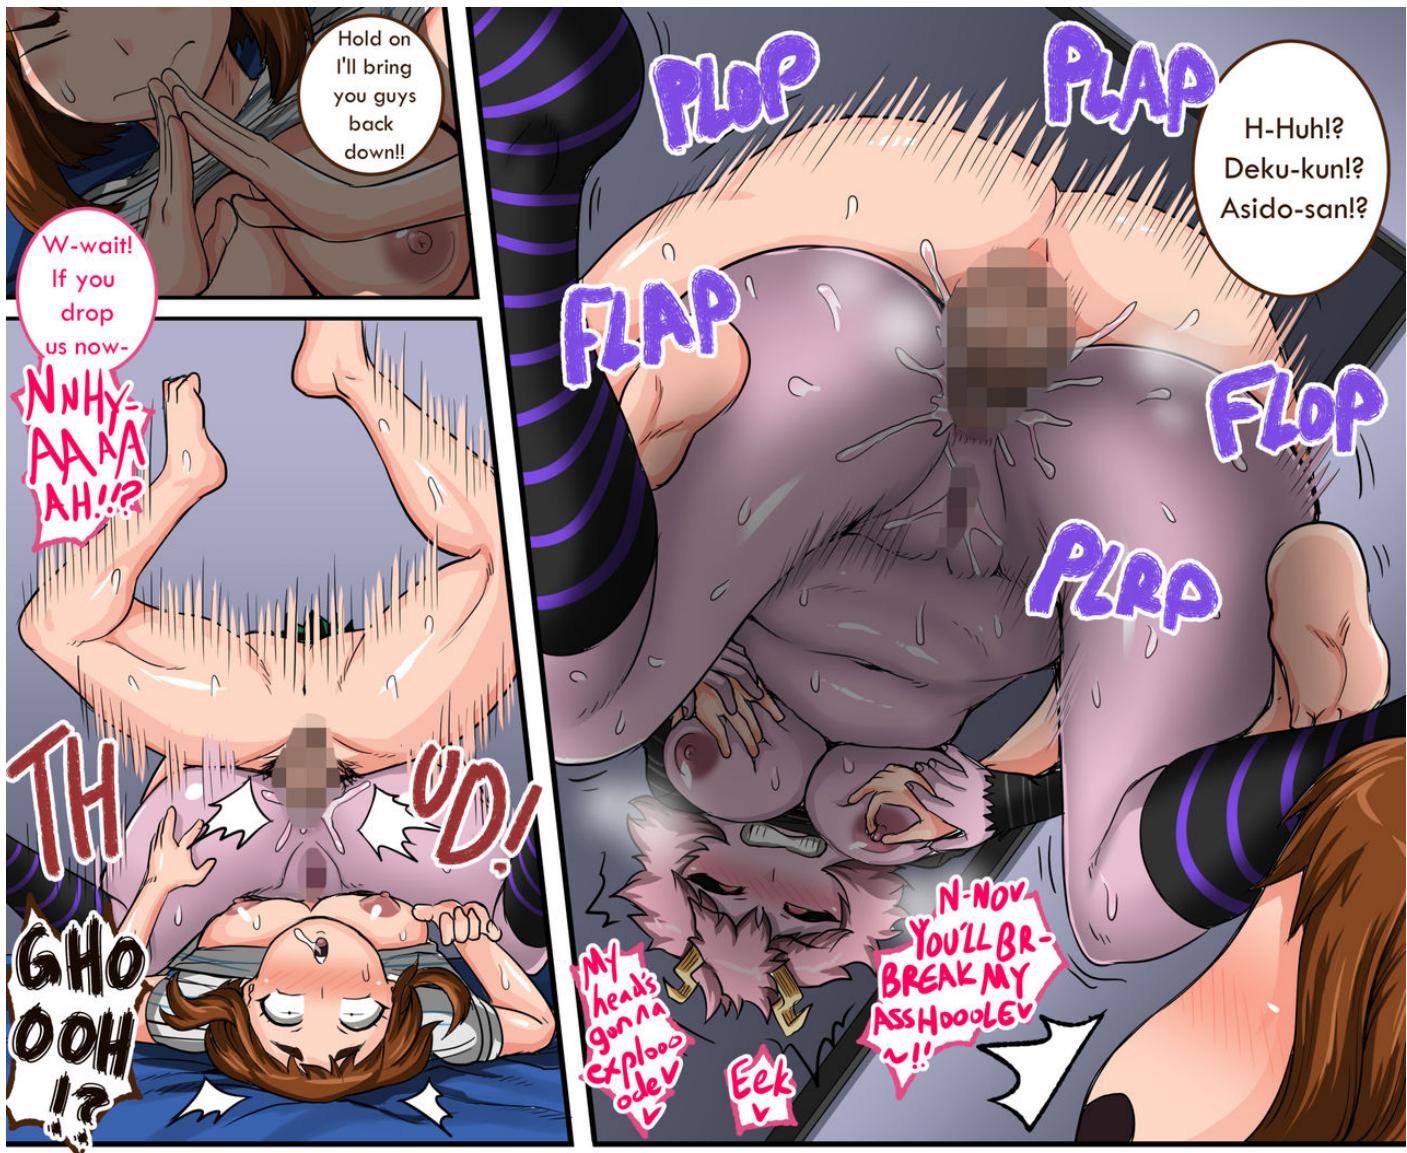

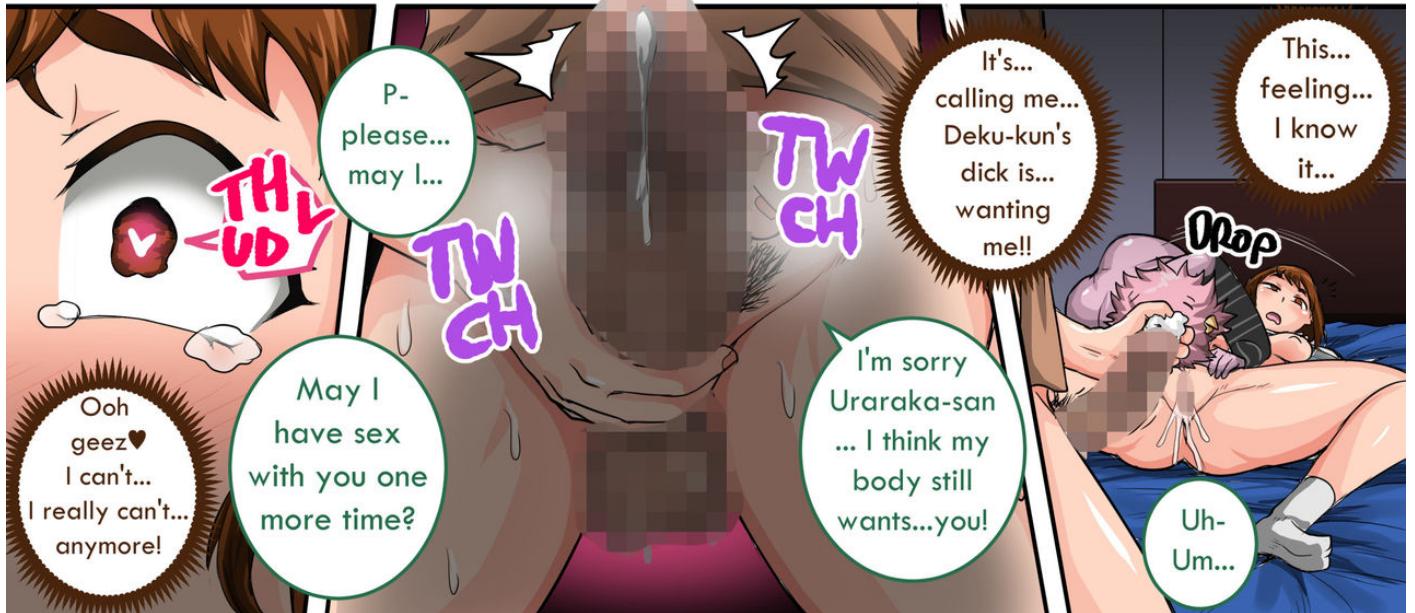

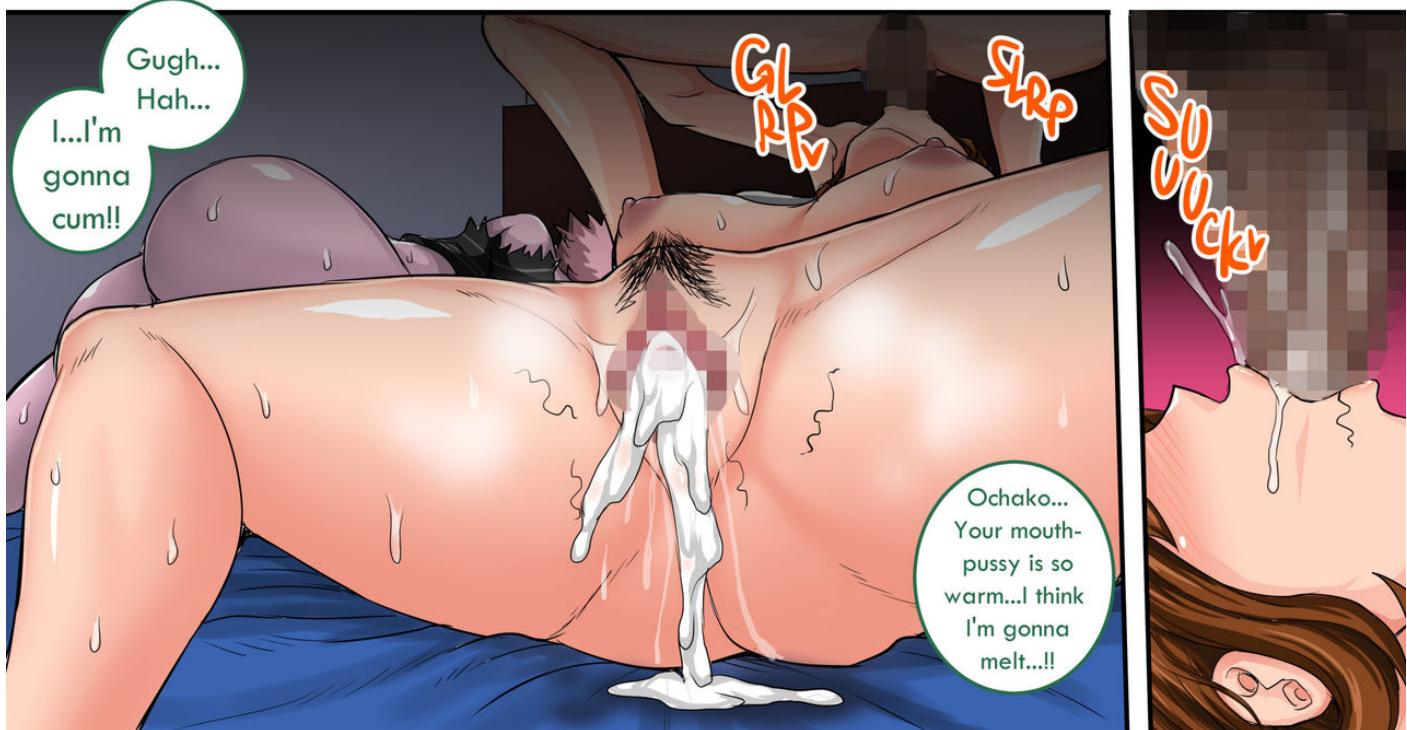

Without...his eternal love...♥

We realized that our quirk, our lust and desire for pleasure made us a perfect team. And on that day when we have became a 3 person sex pact-

On that day the three of us had the first threesome in our lives, and it opened us into a whole new world of ecstasy.

Hey...! I REALLY had a great time together! This threesome was amazing!!

PANT...

What do you think? Wanna try this new three-person sex pact?

PANT...

HA~

AH~

Ahh♥ Wow I came so much...♥

My womb and my stomach is filled with cum...♥

Three...of us? Mmn...
Yeah... Guess it wouldn't hurt to try it out...
Ok let's... do it~

Drip~

Yeah♥ I'd love to...Mina-chan!

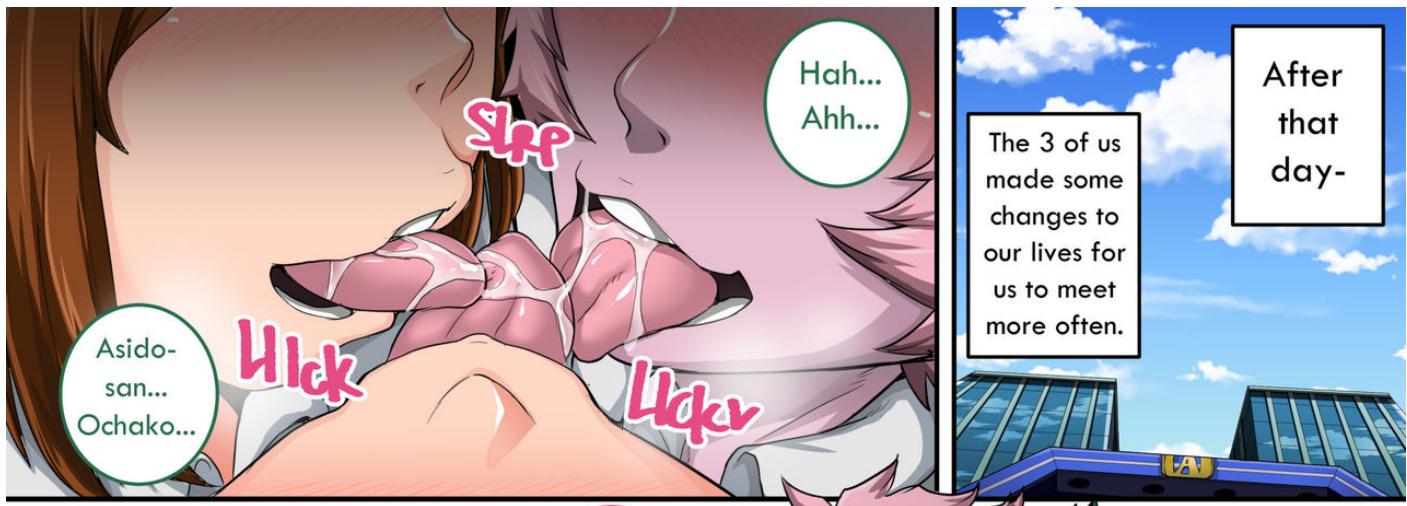

Has begun.

PINCH~

LICK~

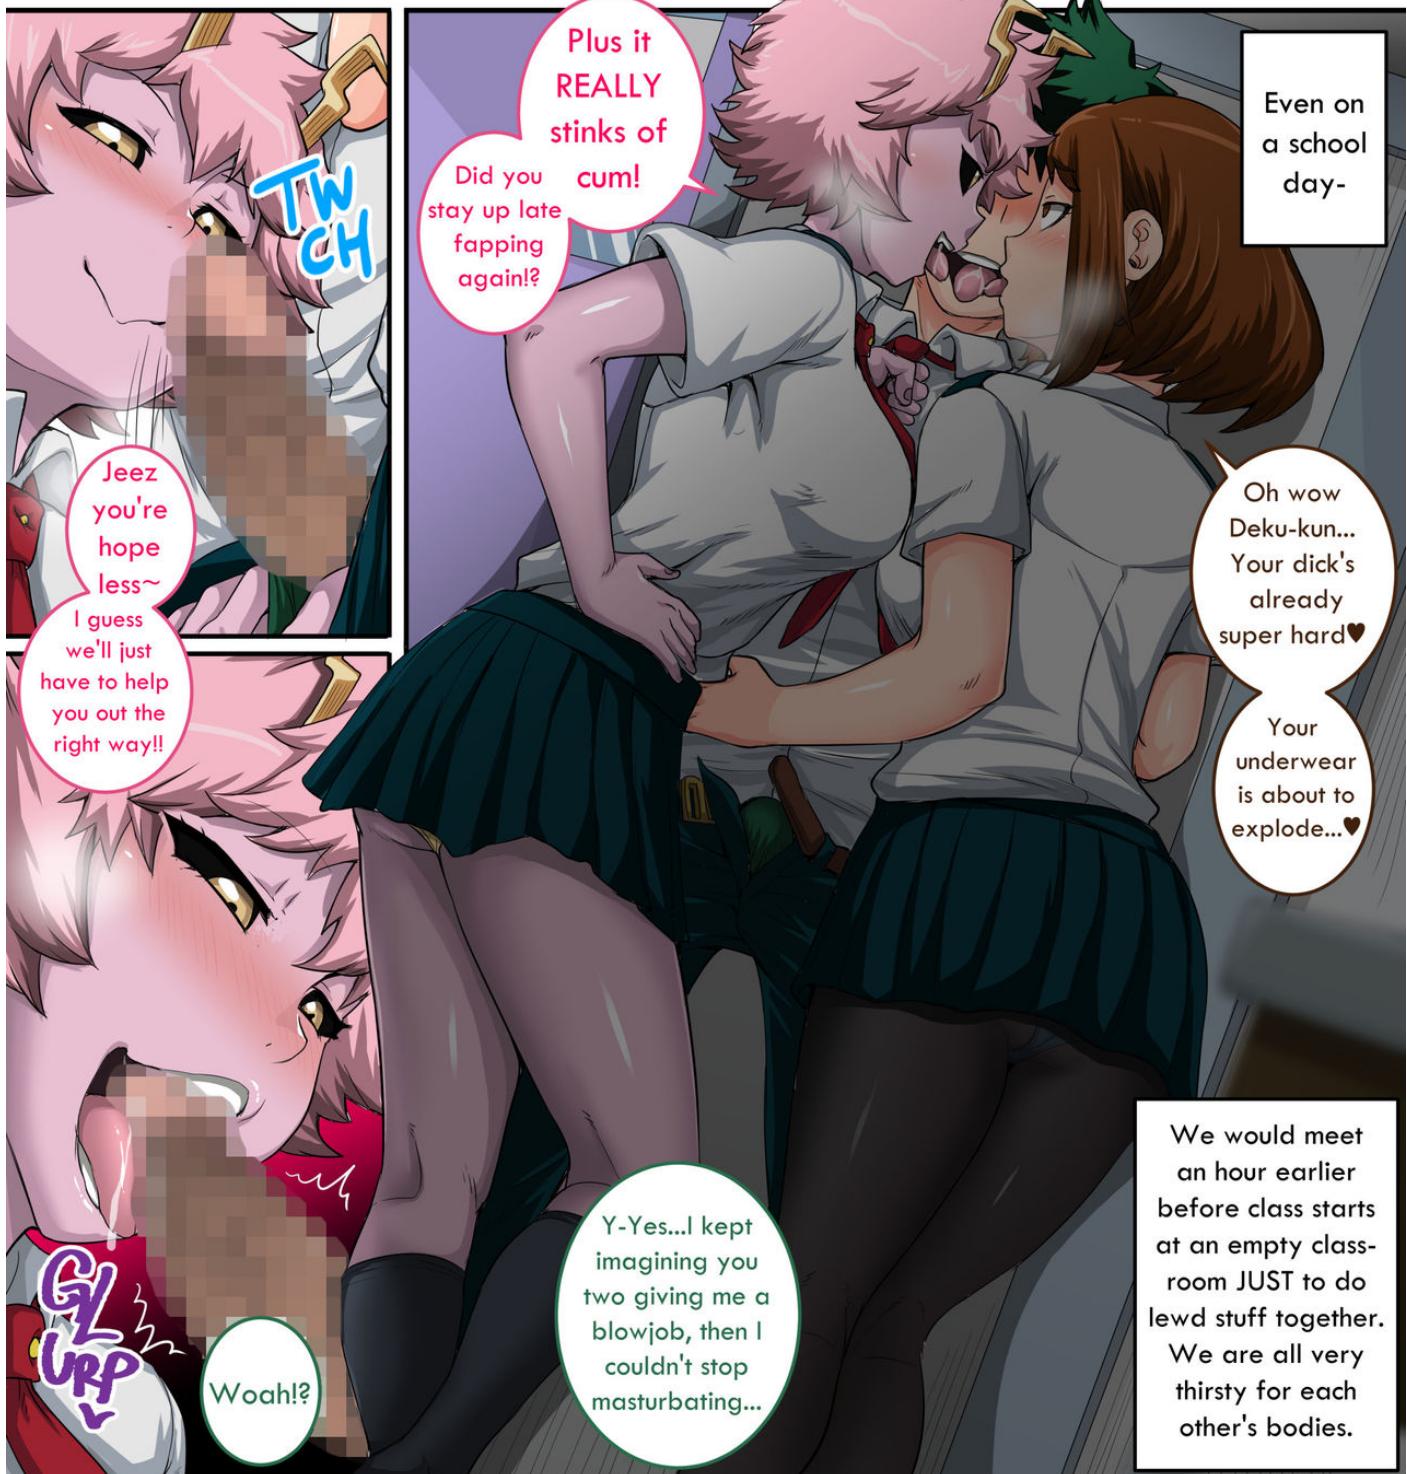

Alright!
From now on,
let's fuck
Midoriya's brains
out together
Ochako-chan!

Is the day when my "Harem"-

The 3 of us made some changes to our lives for us to meet more often.

After that day-

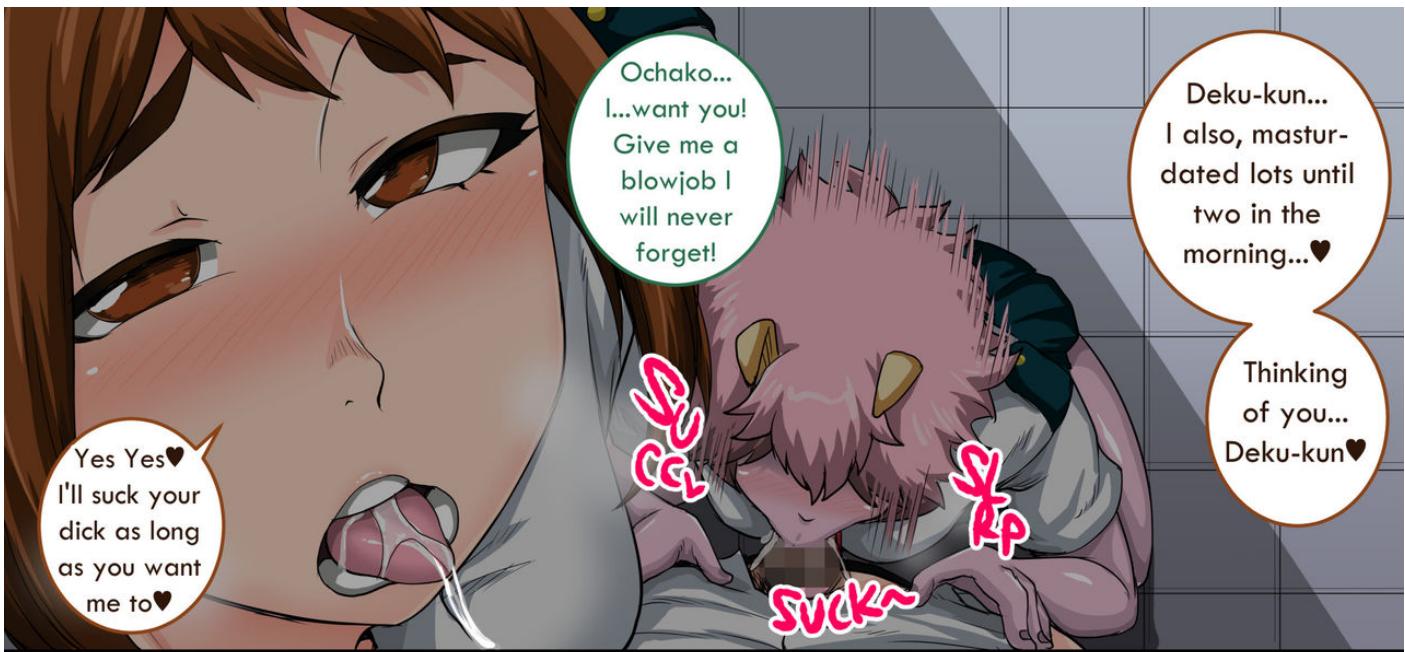

Even on
a school
day-

Oh wow
Deku-kun...
Your dick's
already
super hard♥

Your
underwear
is about to
explode...♥

Y-Yes...I kept
imagining you
two giving me a
blowjob, then I
couldn't stop
masturbating...

We would meet
an hour earlier
before class starts
at an empty class-
room JUST to do
lewd stuff together.
We are all very
thirsty for each
other's bodies.

DRRRRR ...!!

We lose track of time, and end up almost-late to everything.

Sometimes, when we get too carried away-

M-me too...

M-my clock was broken...

Sorry sir~
I over-slept☆

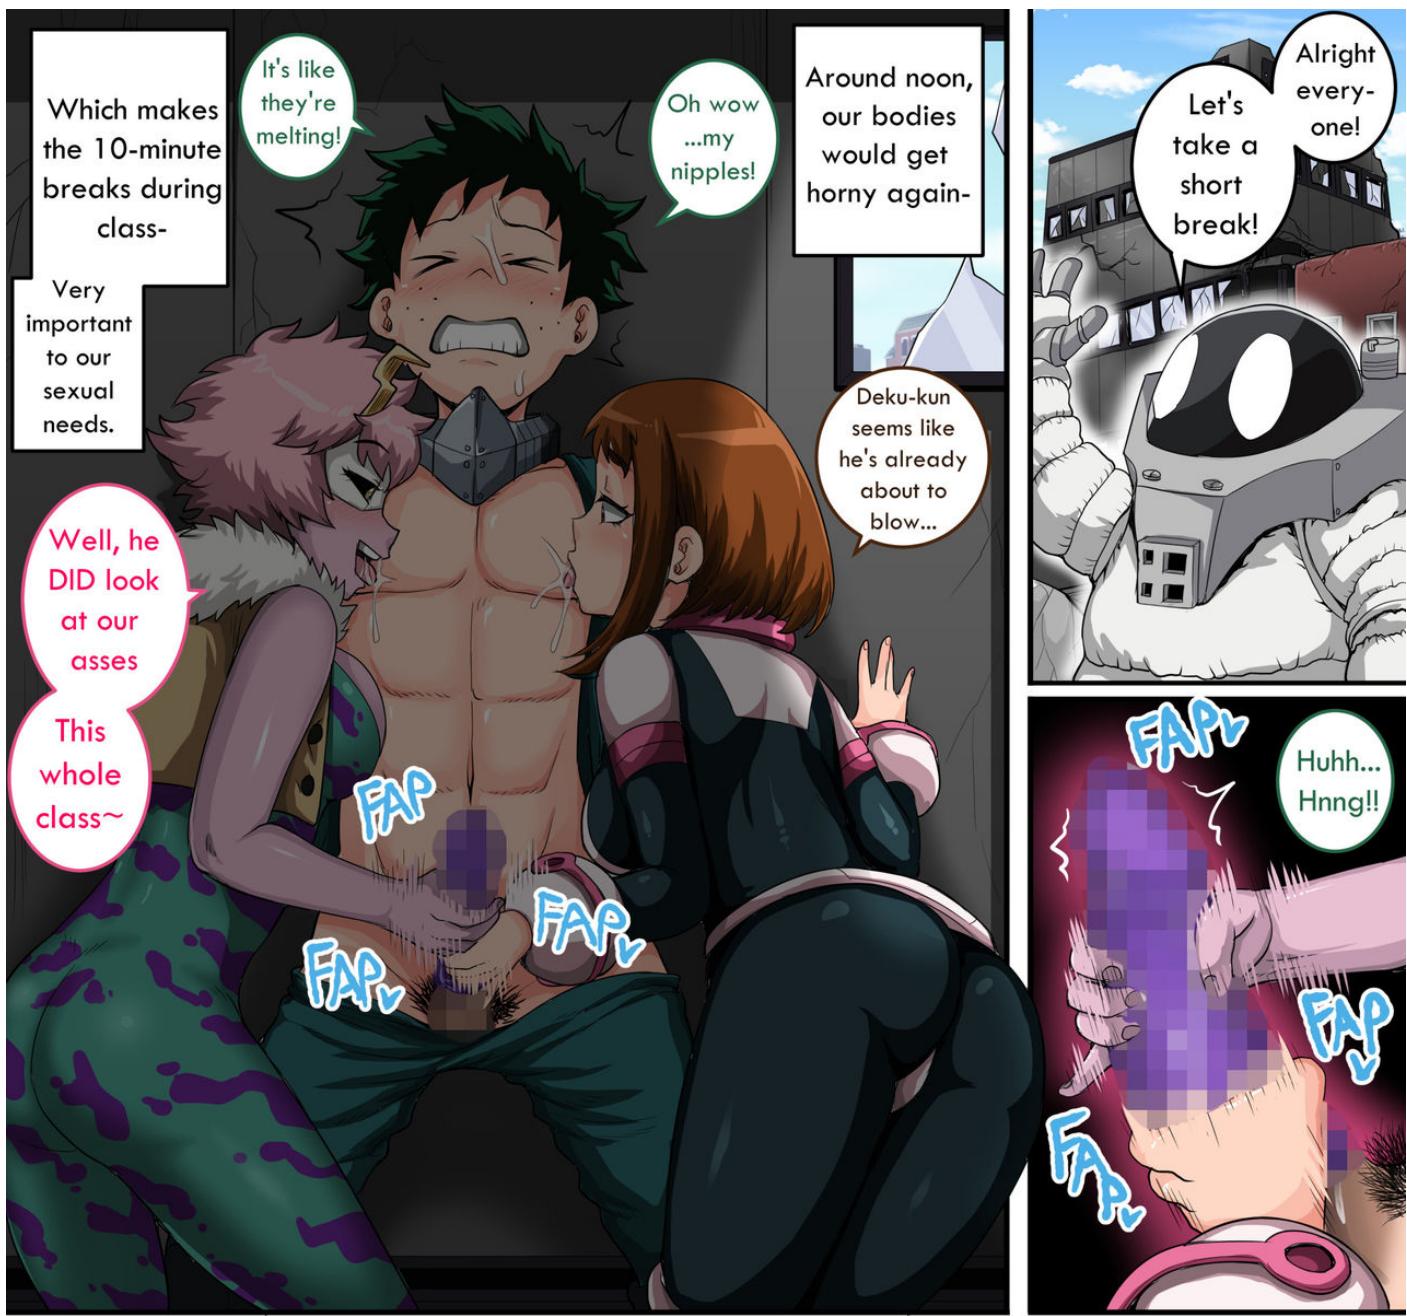

All of you? Jeez You guys are unbelievable...

Go take a seat. We'll be starting class now.

You guys barely made it!! What happened?

In fact, this is only just the beginning.

...But this isn't the end of our "Sex-Schedule".

"10 minutes of HEAVEN"

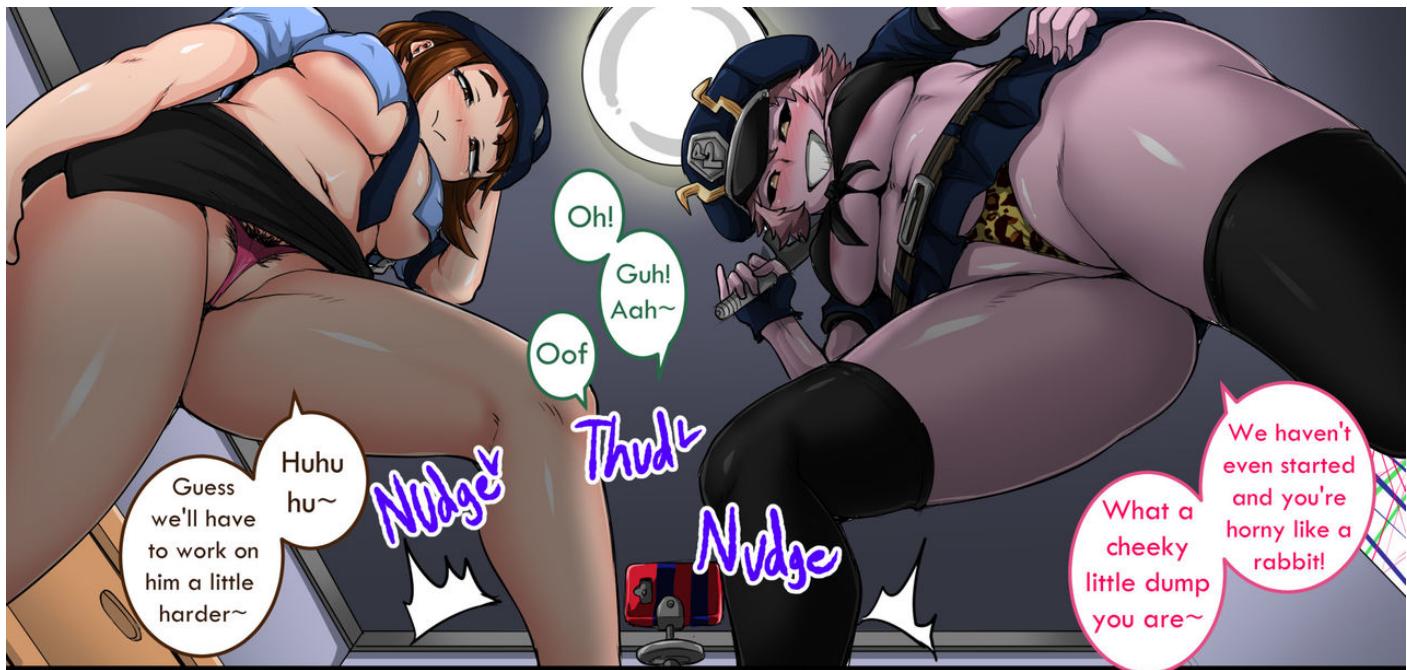

...He does looks a little sad-

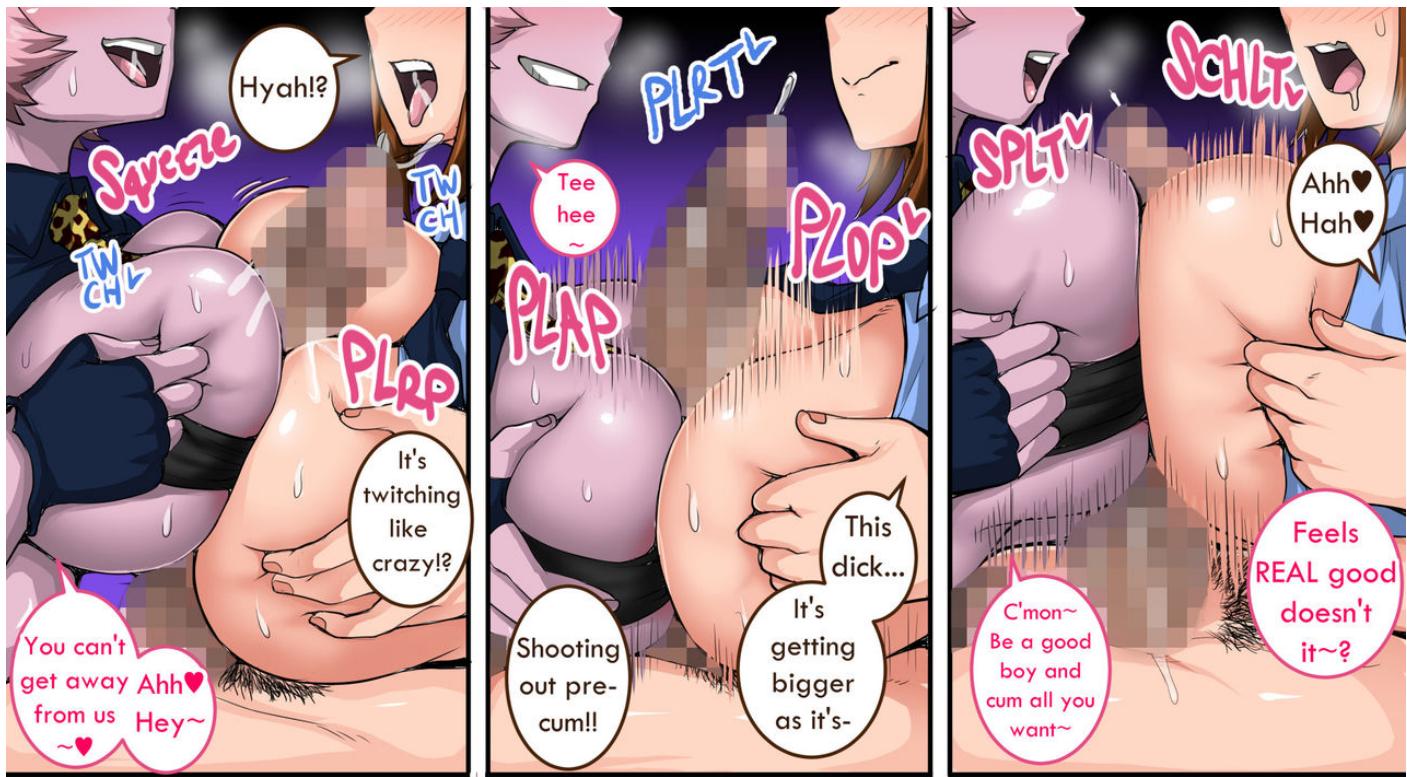

Why don't we let him shoot one out before we start☆

The three of us would call this time-

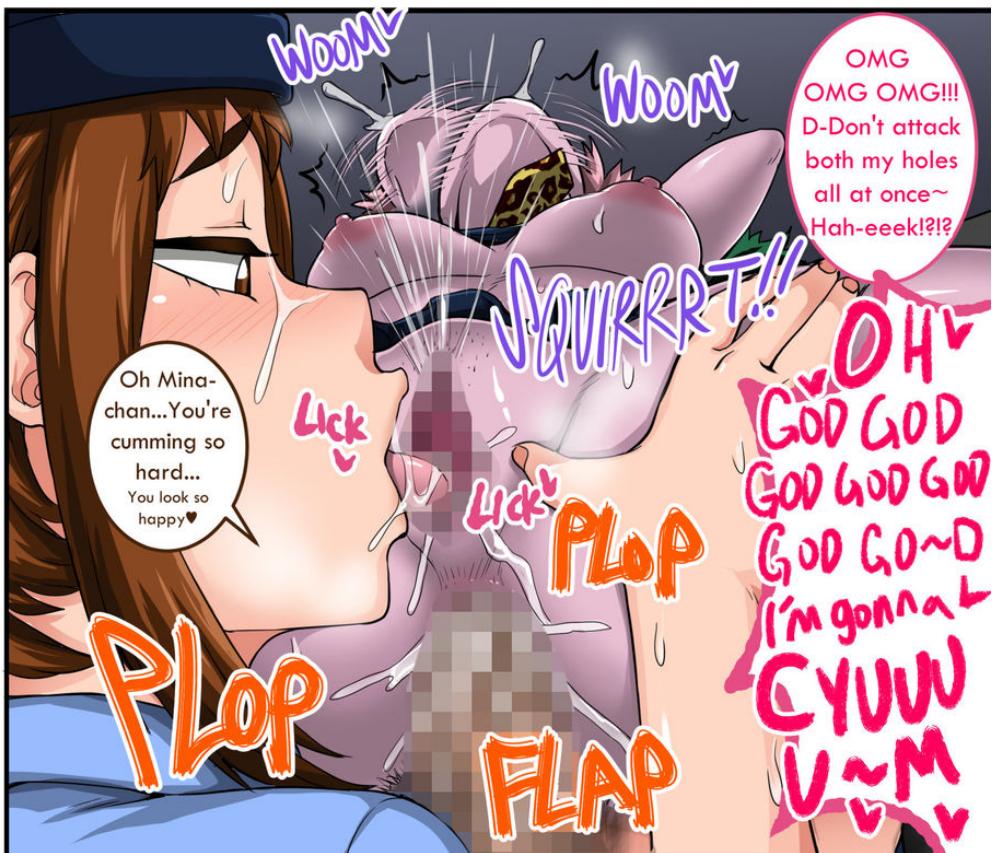

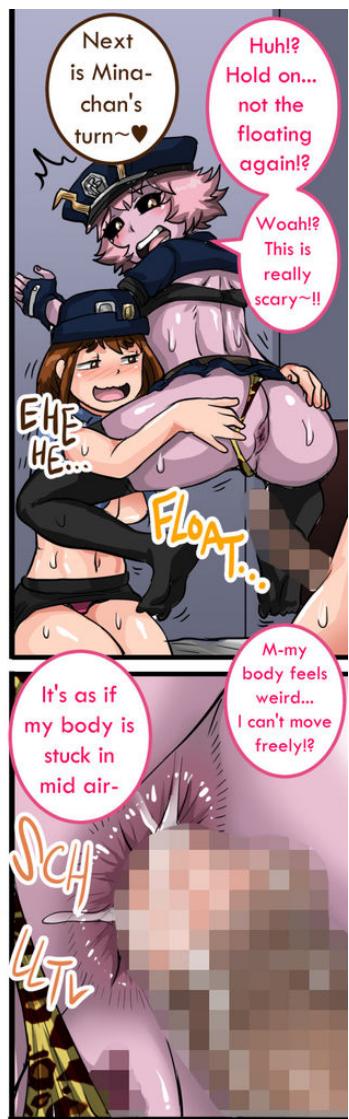

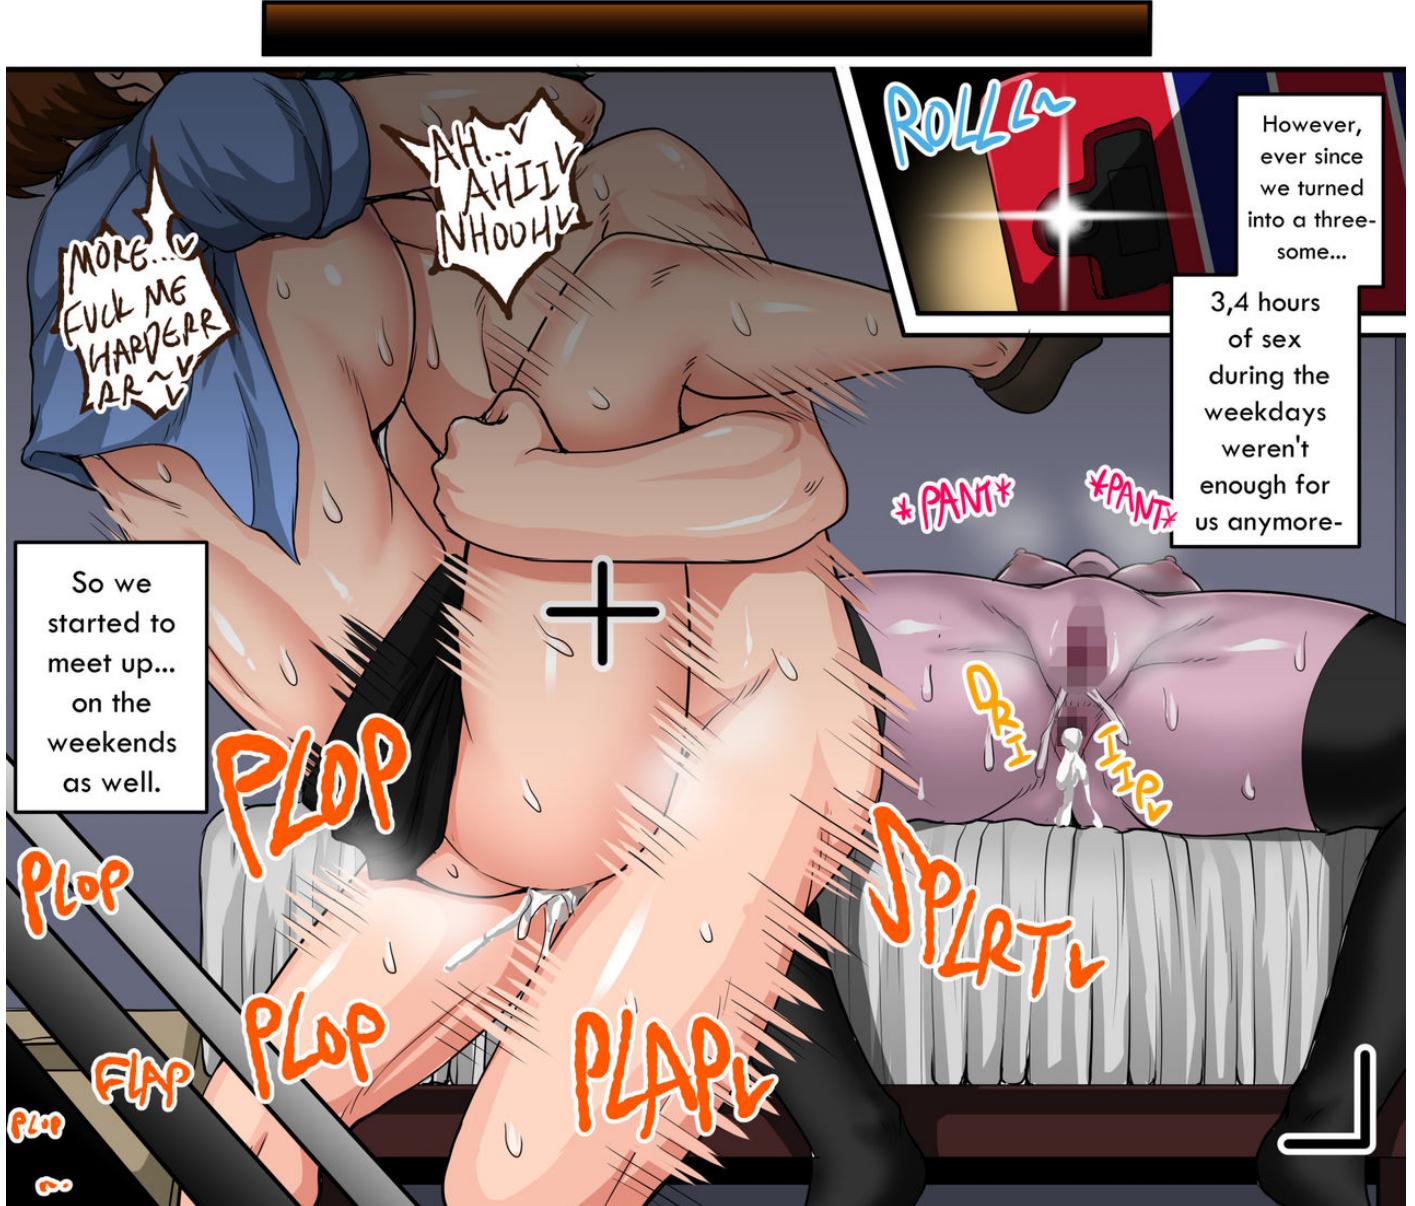

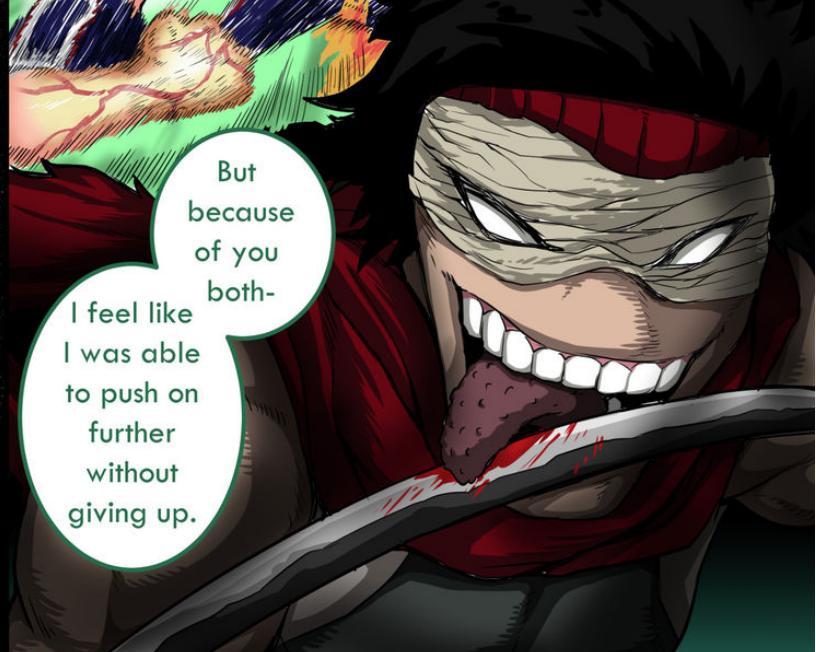

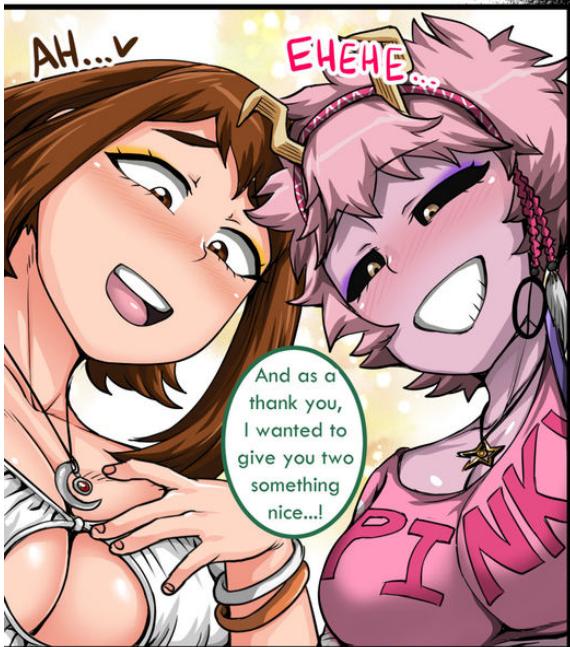

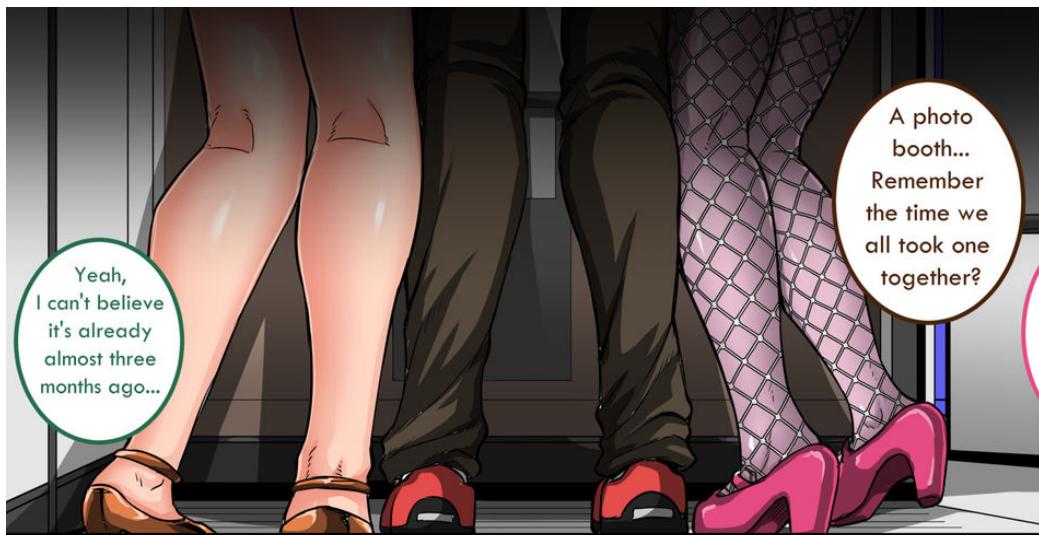

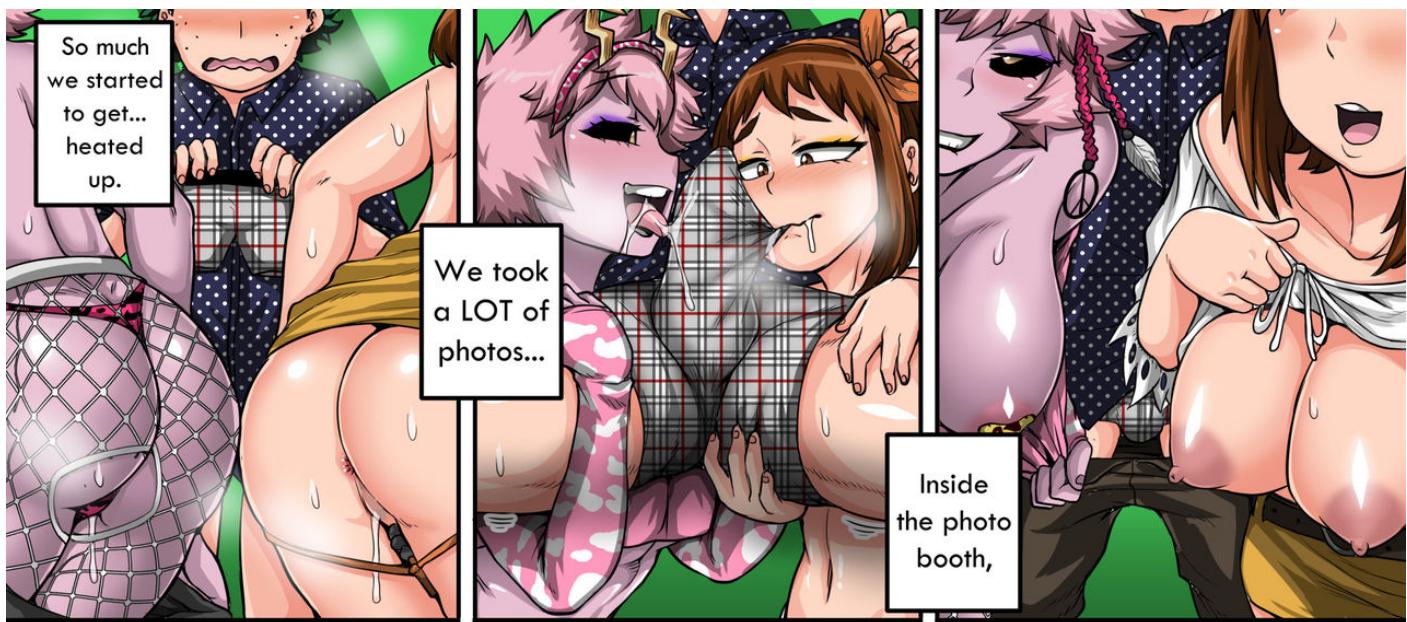

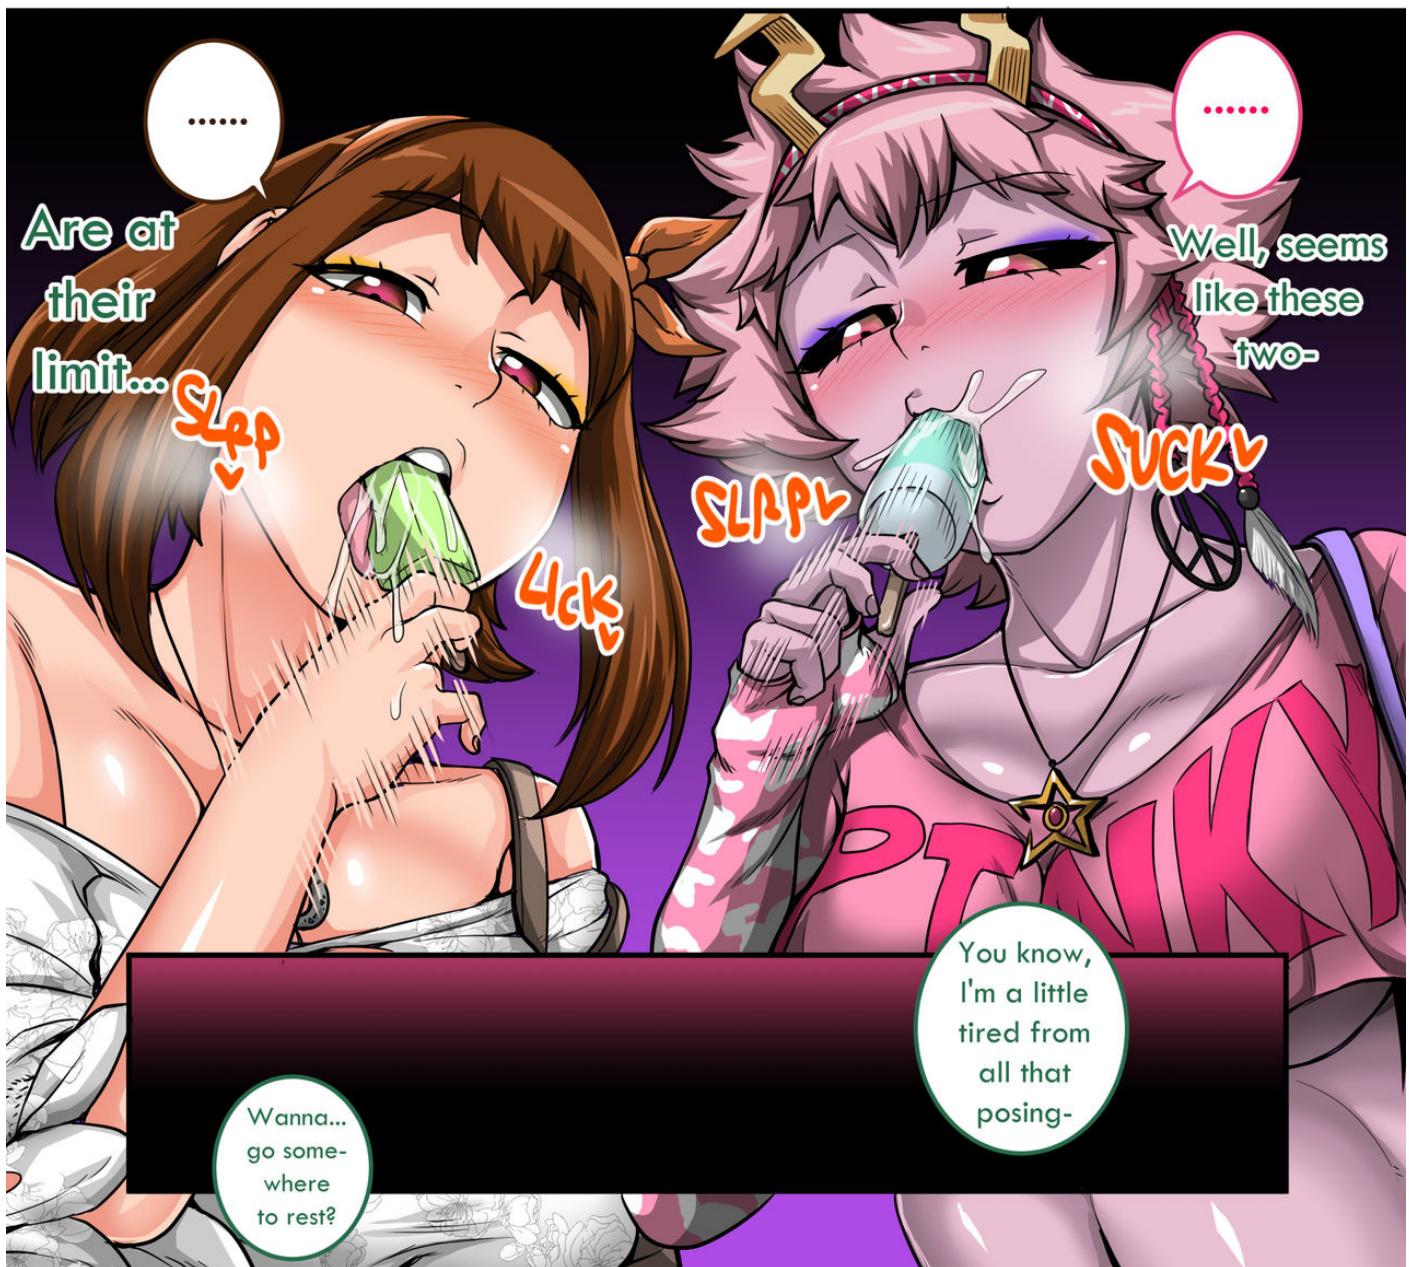

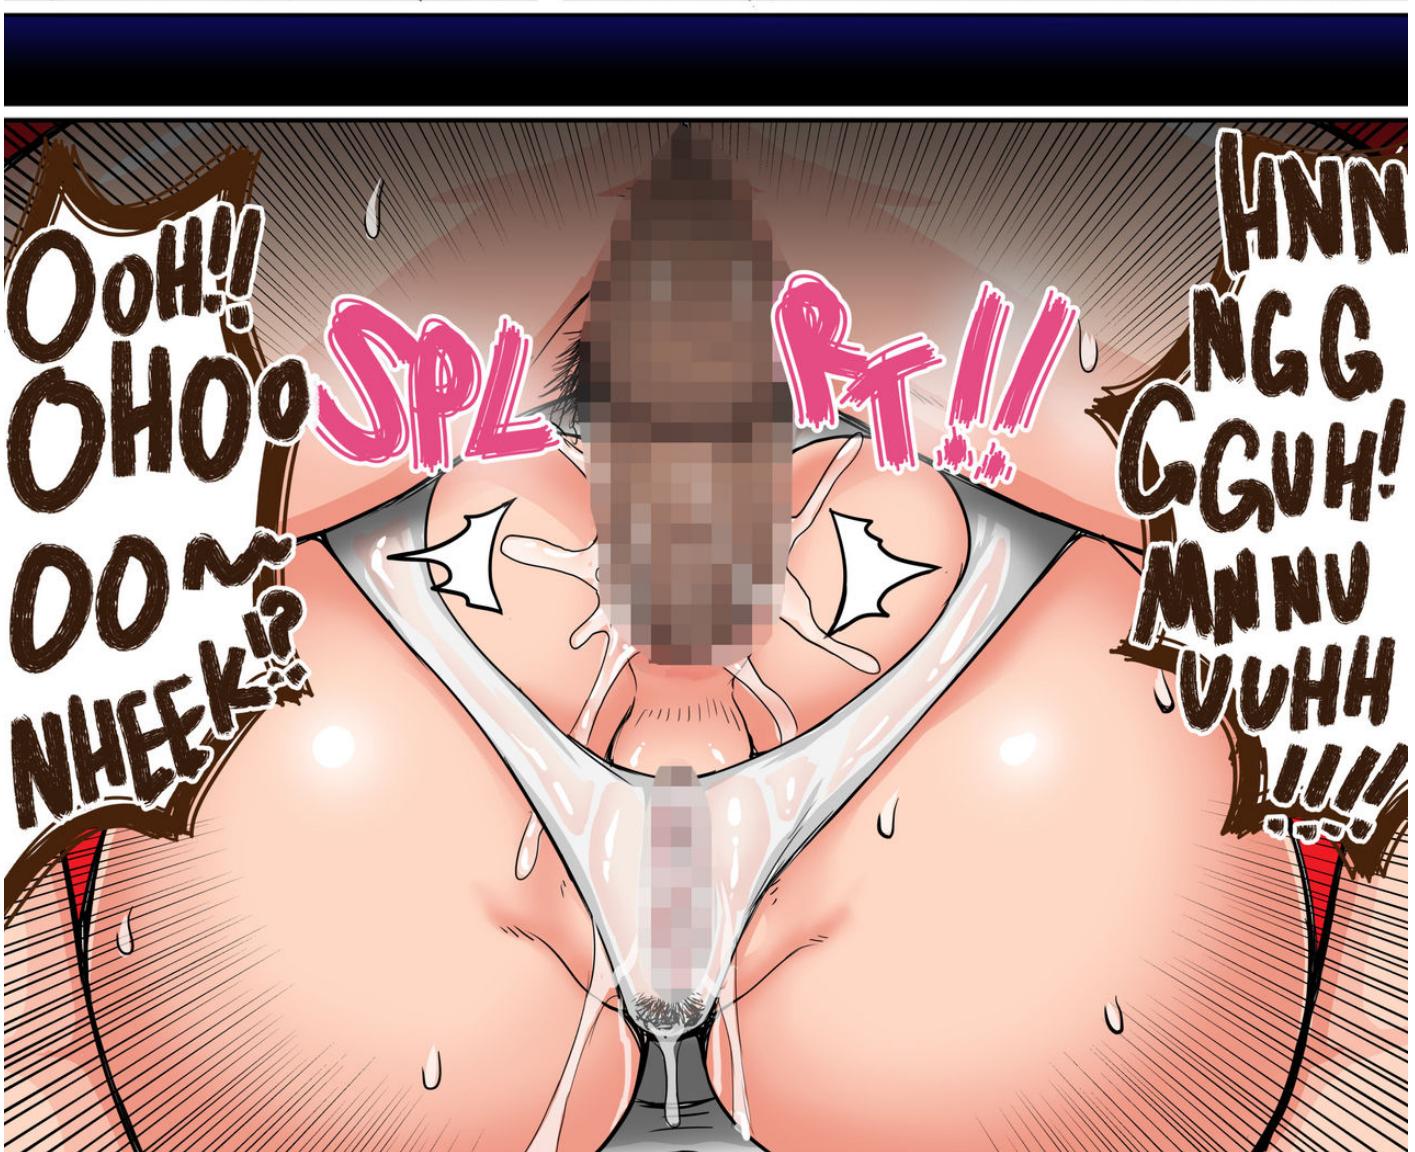

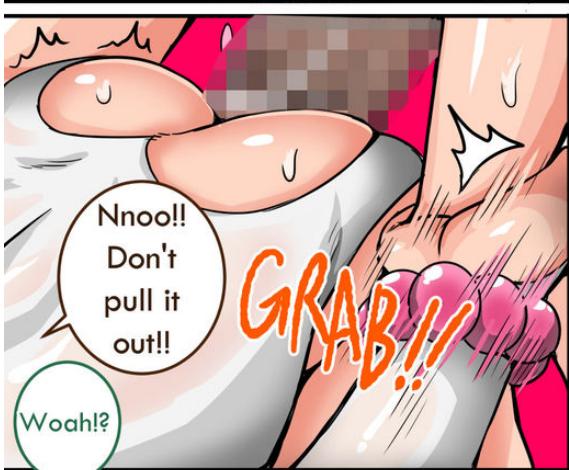

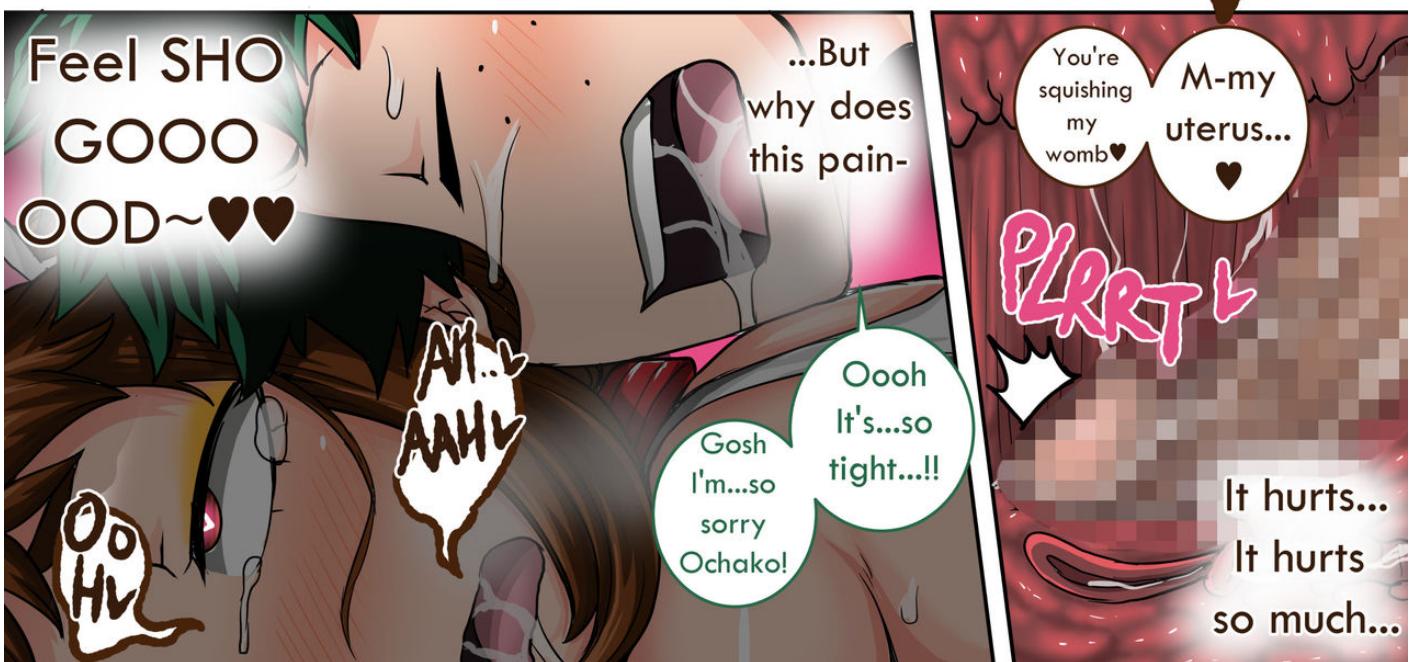

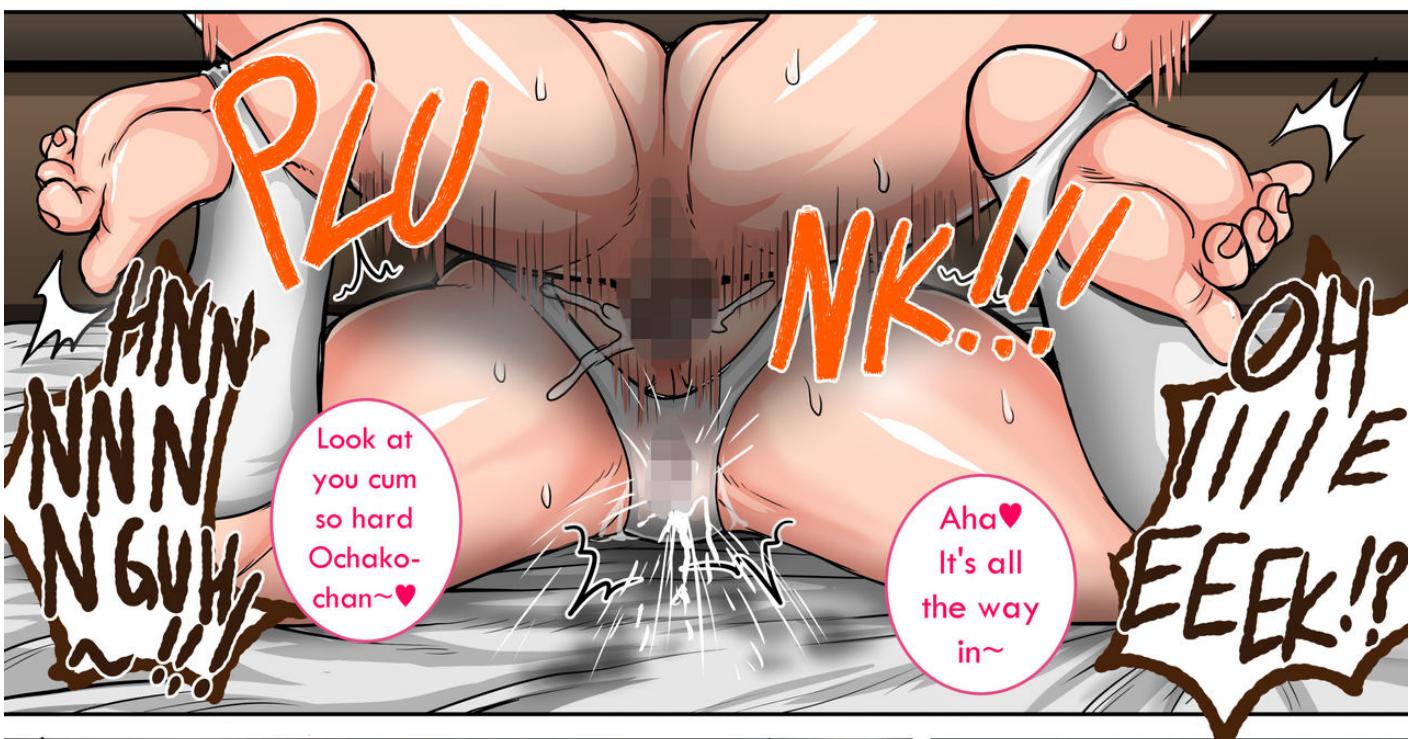

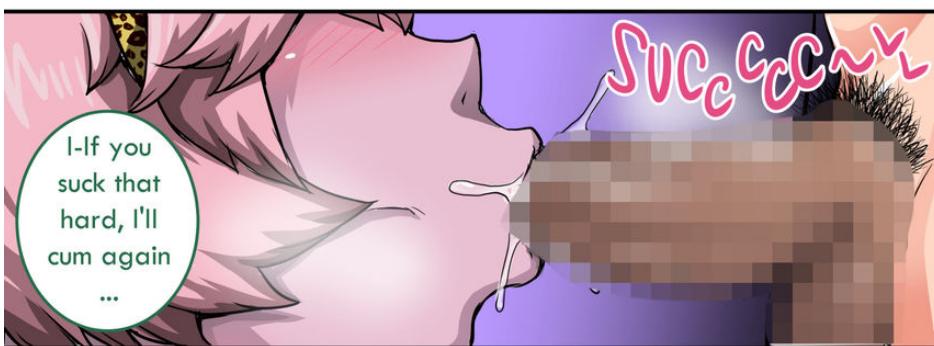

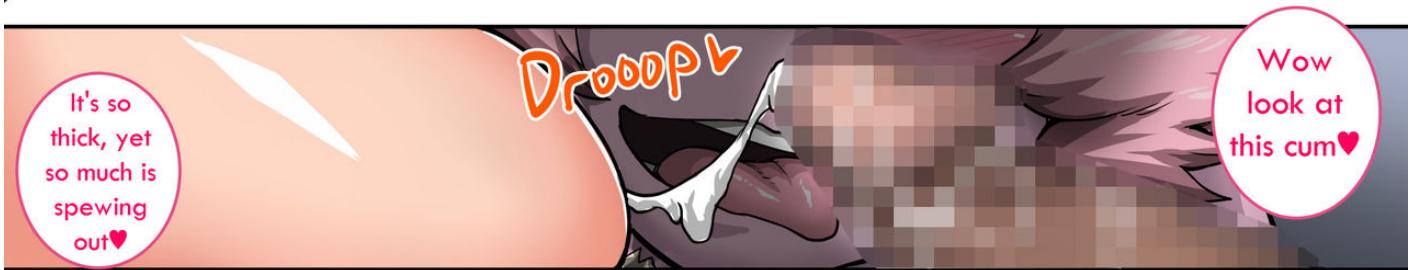

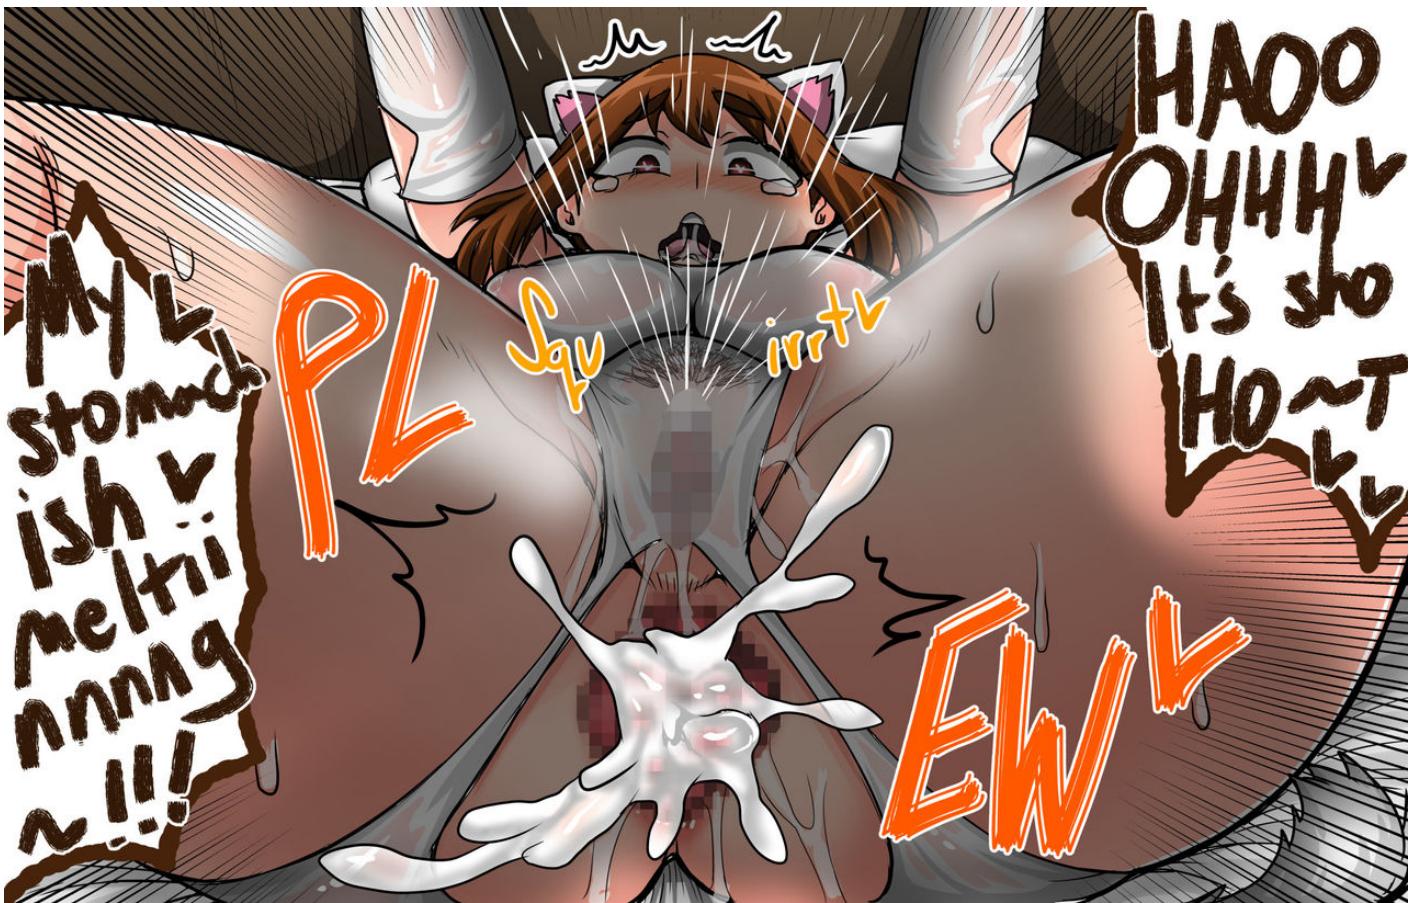

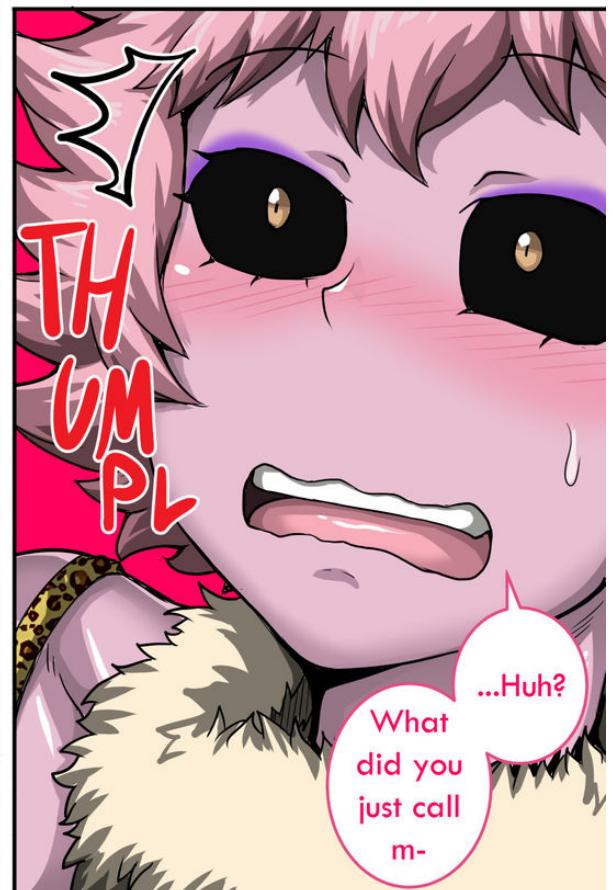

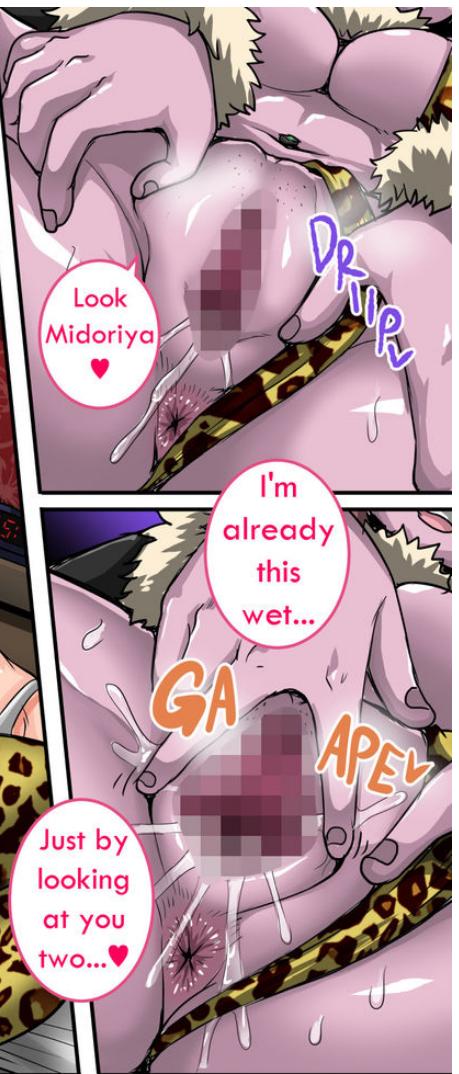

O-ochako
...I'm gonna
speed it up
a bit...!!

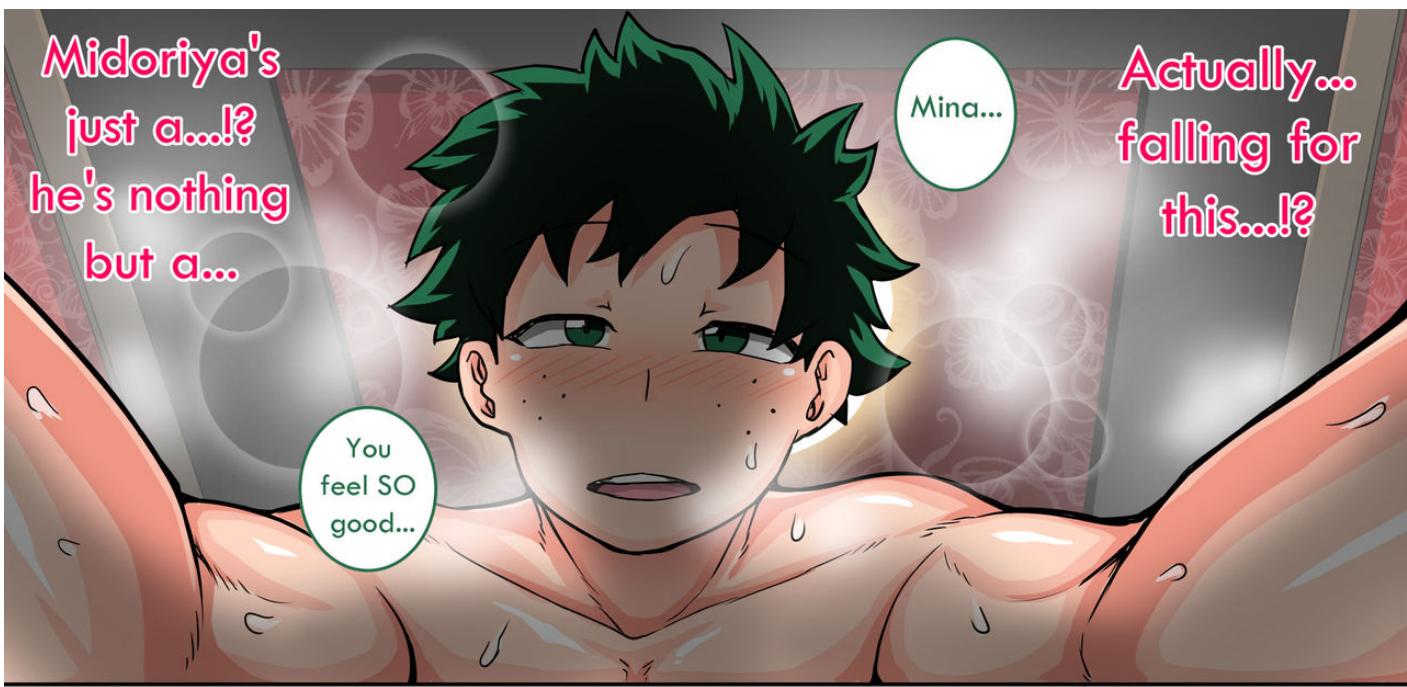

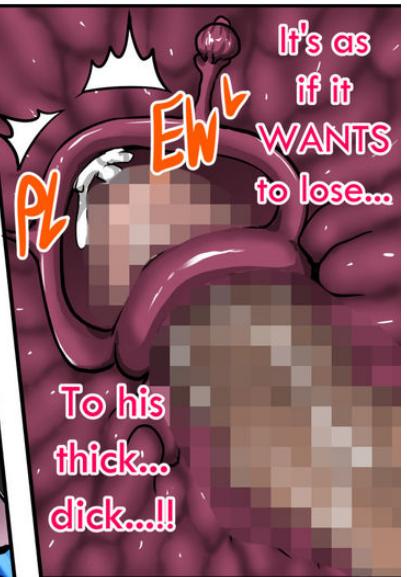

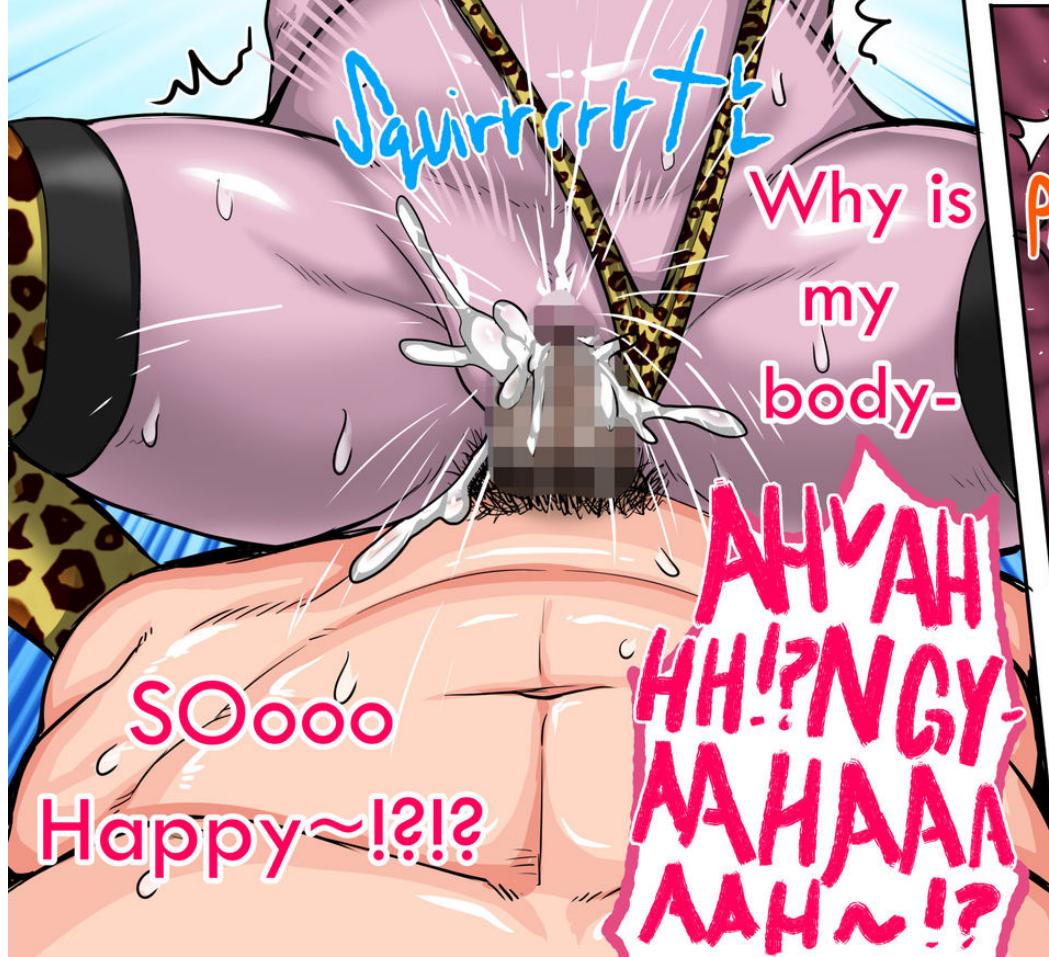

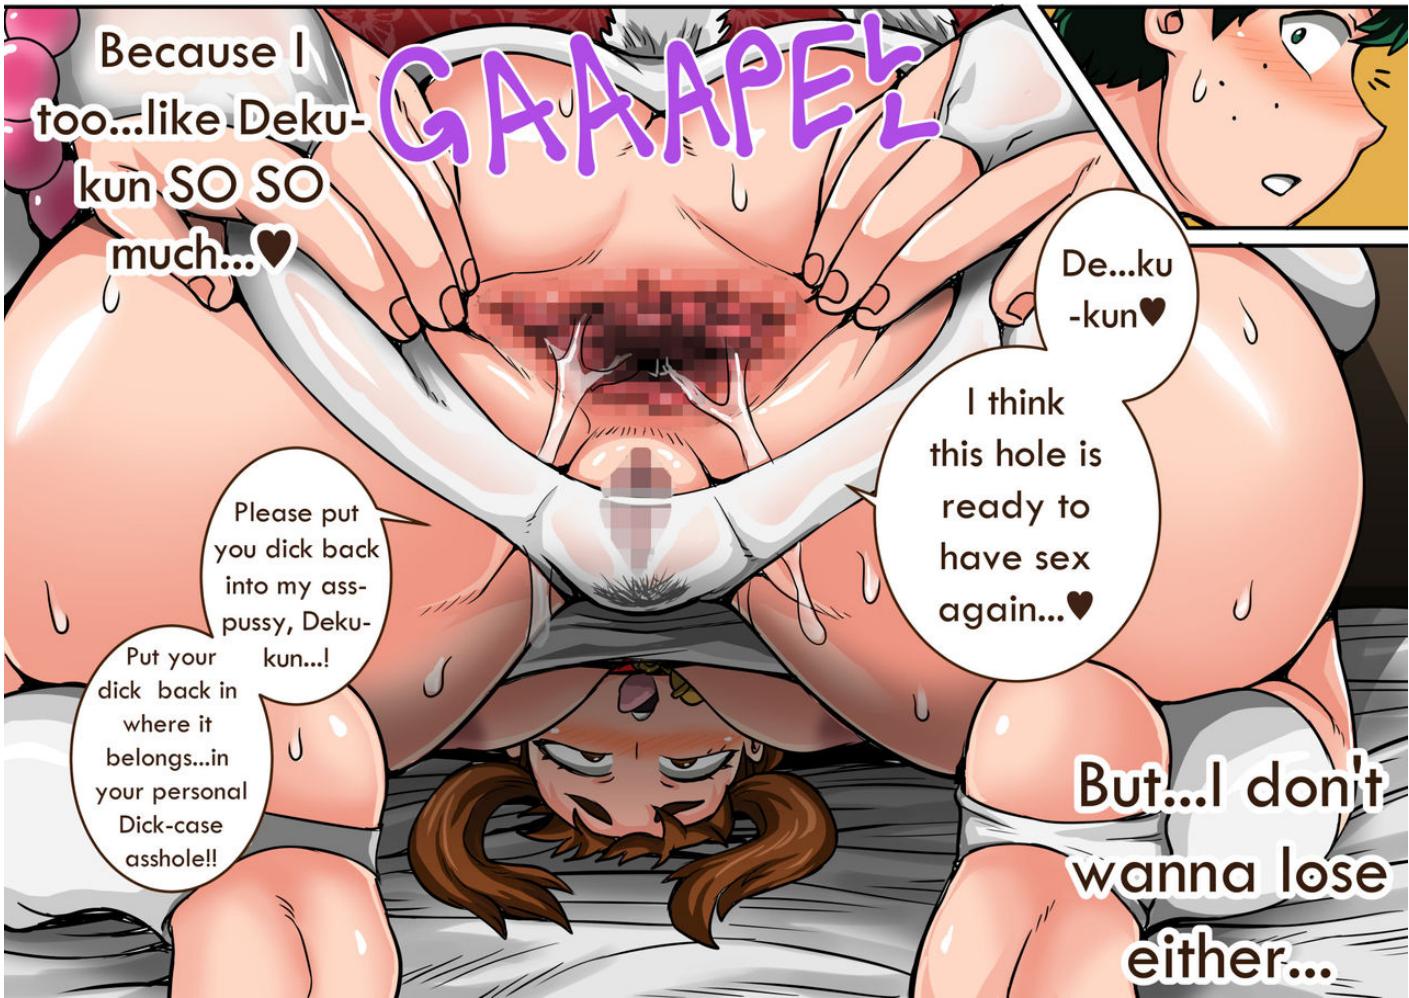

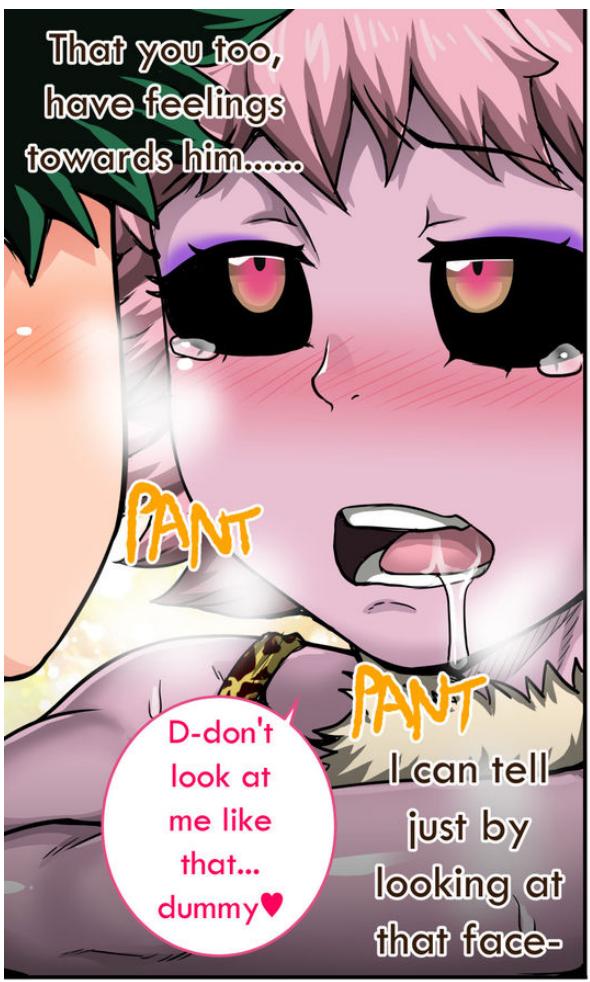

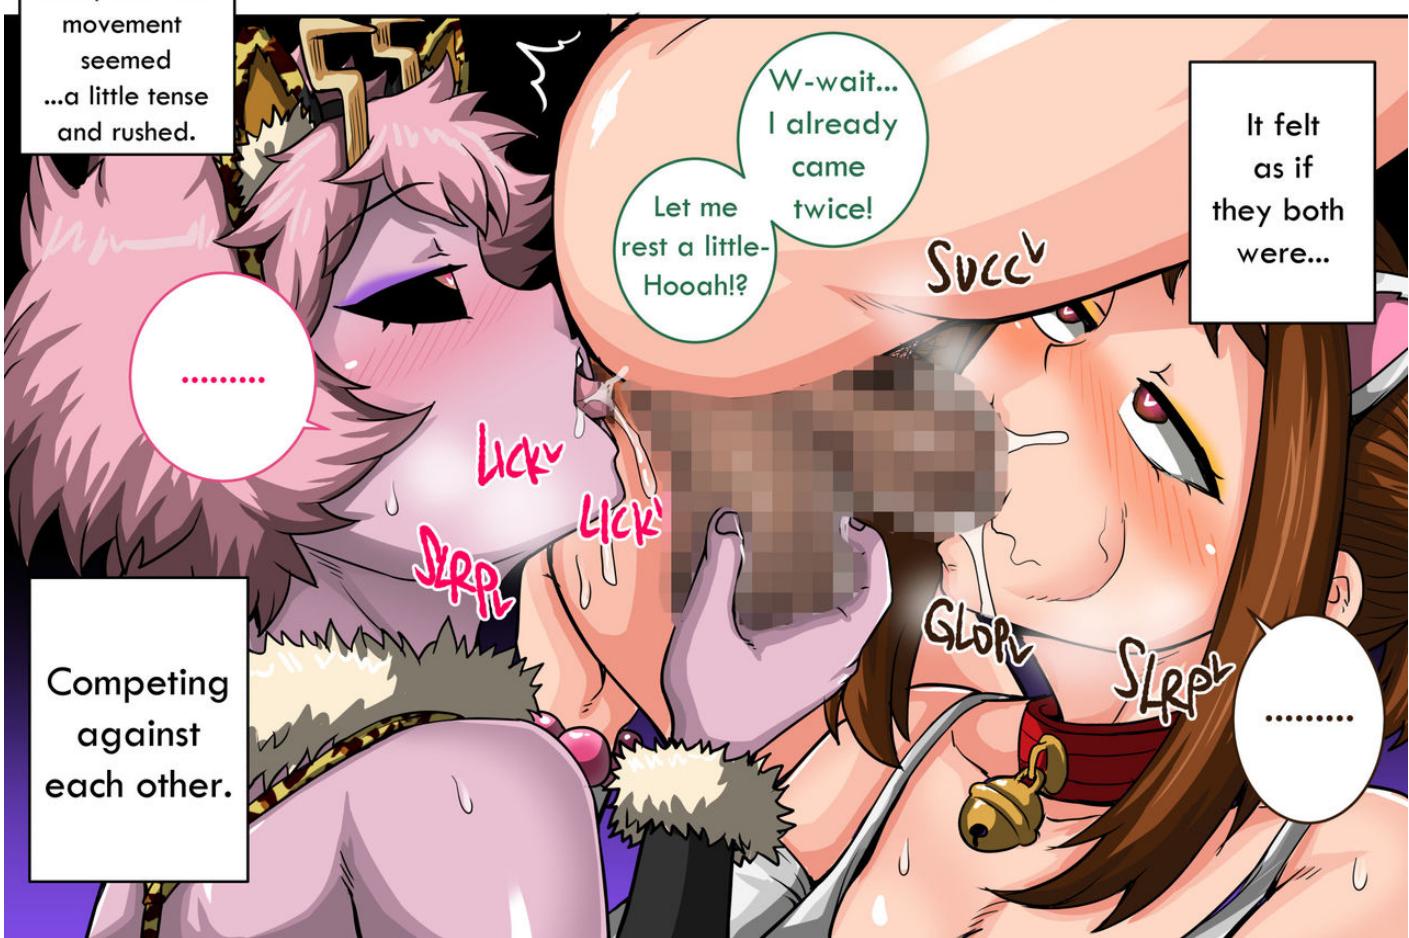

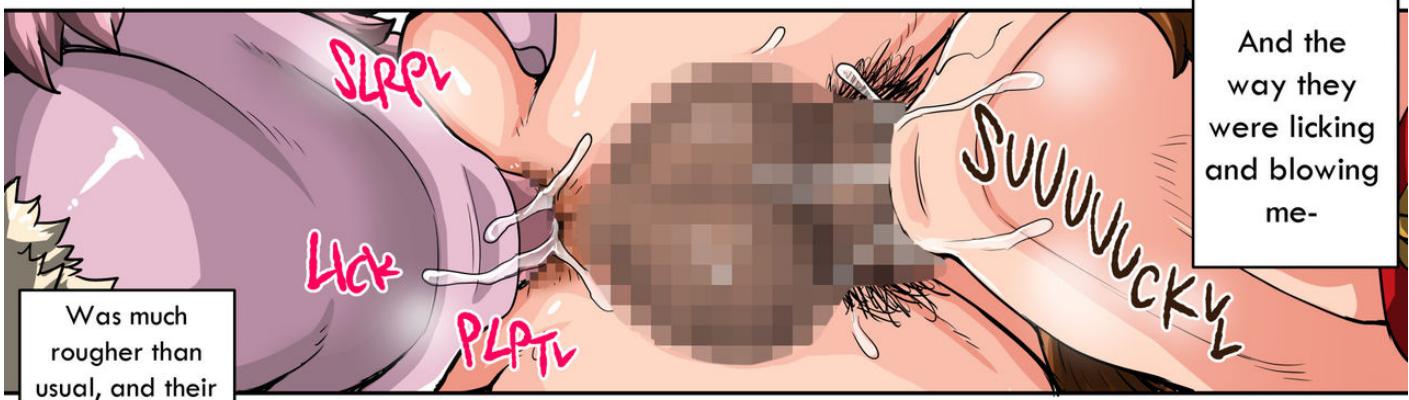

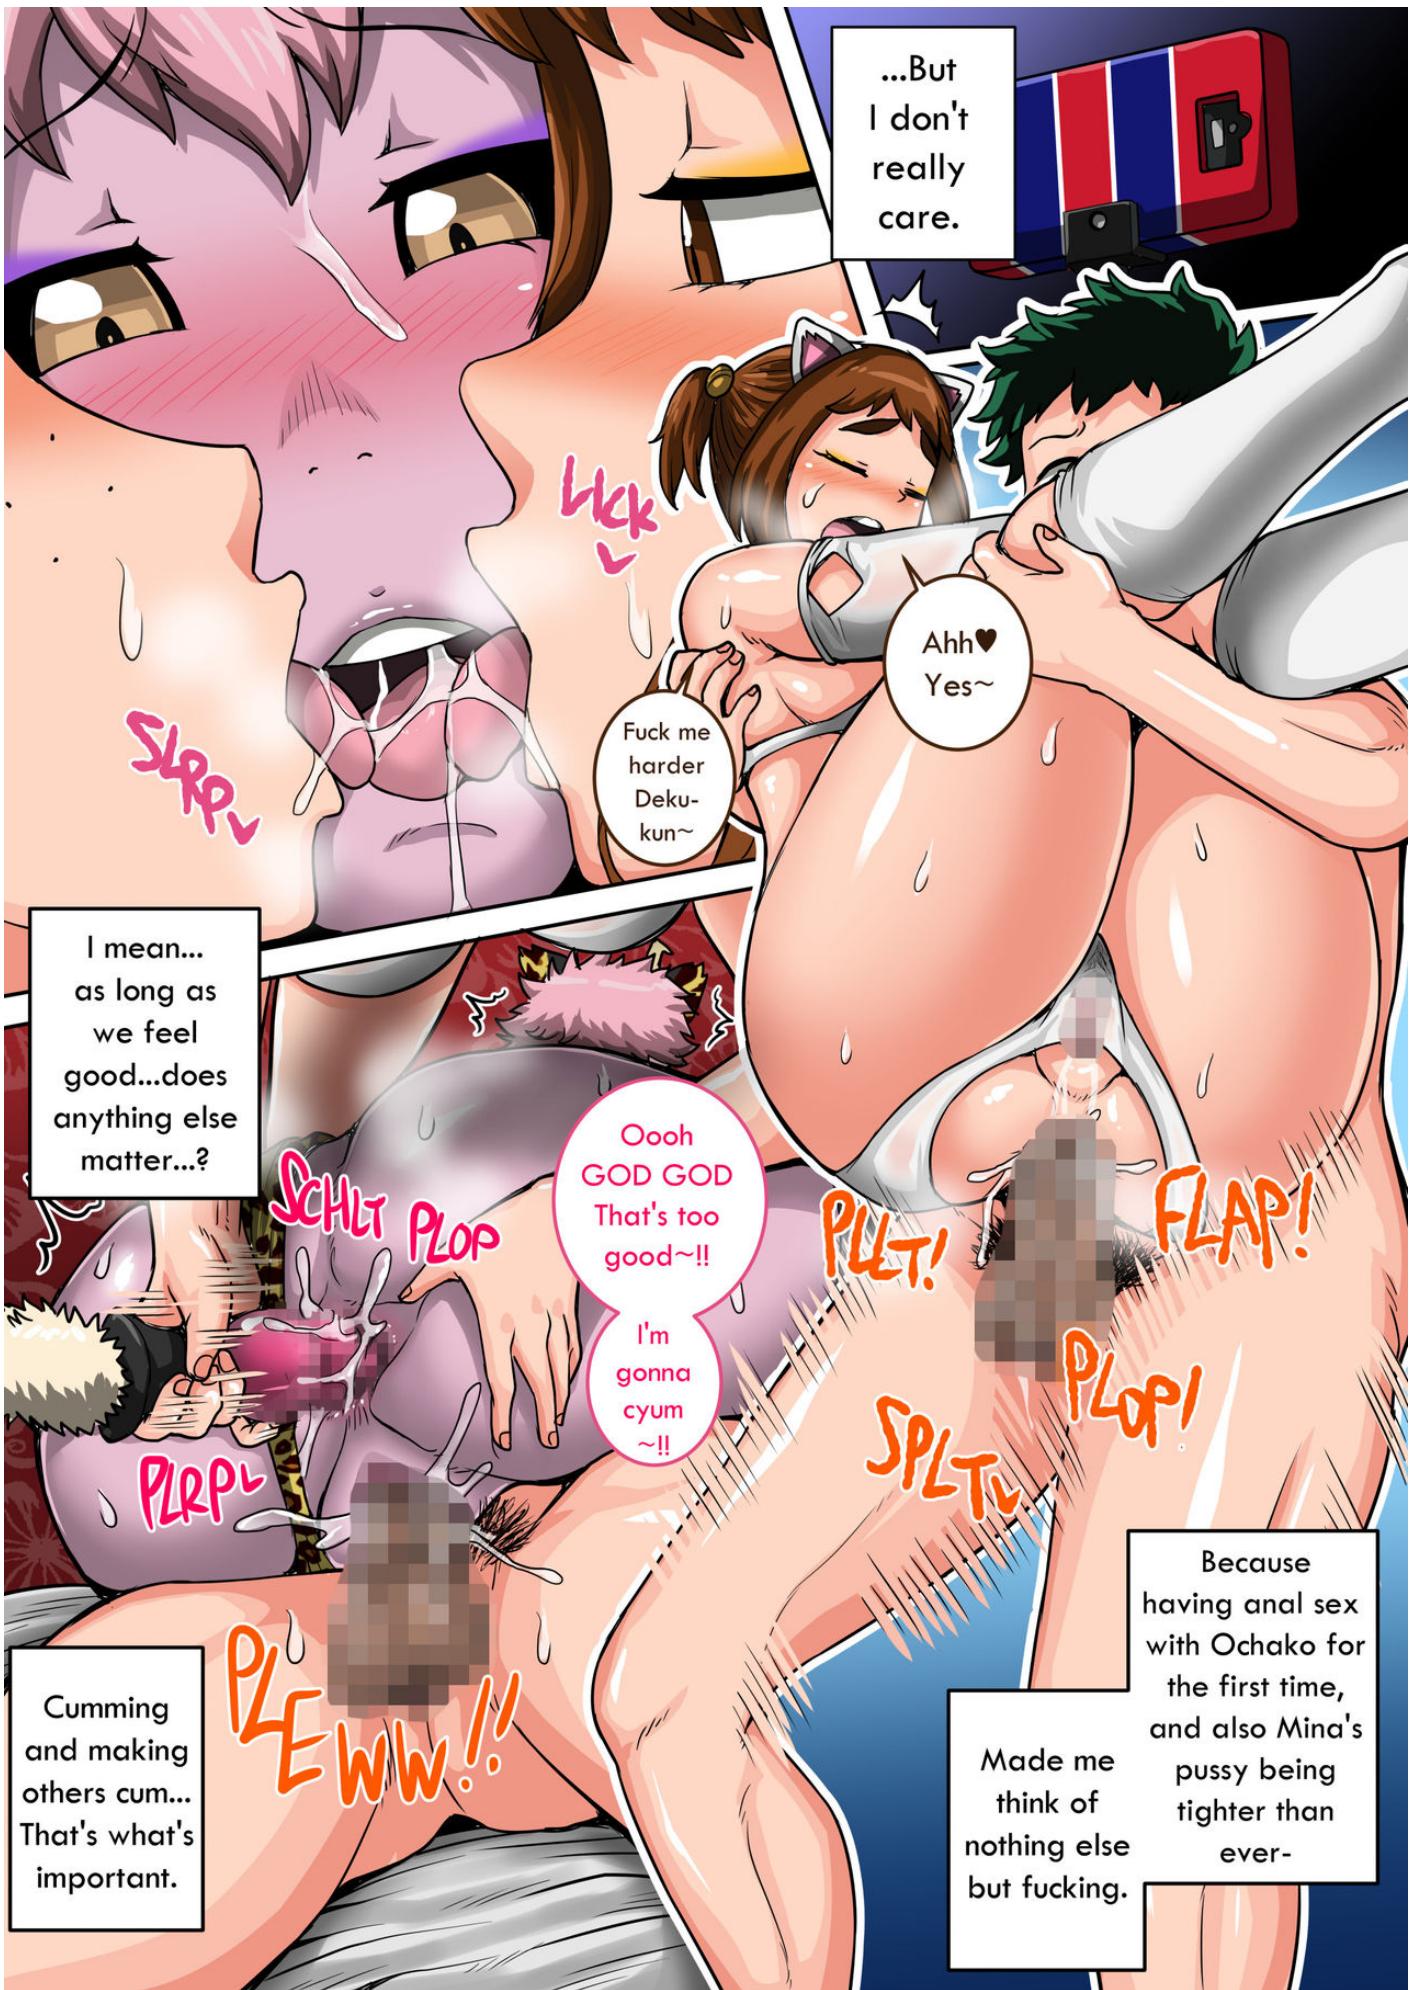

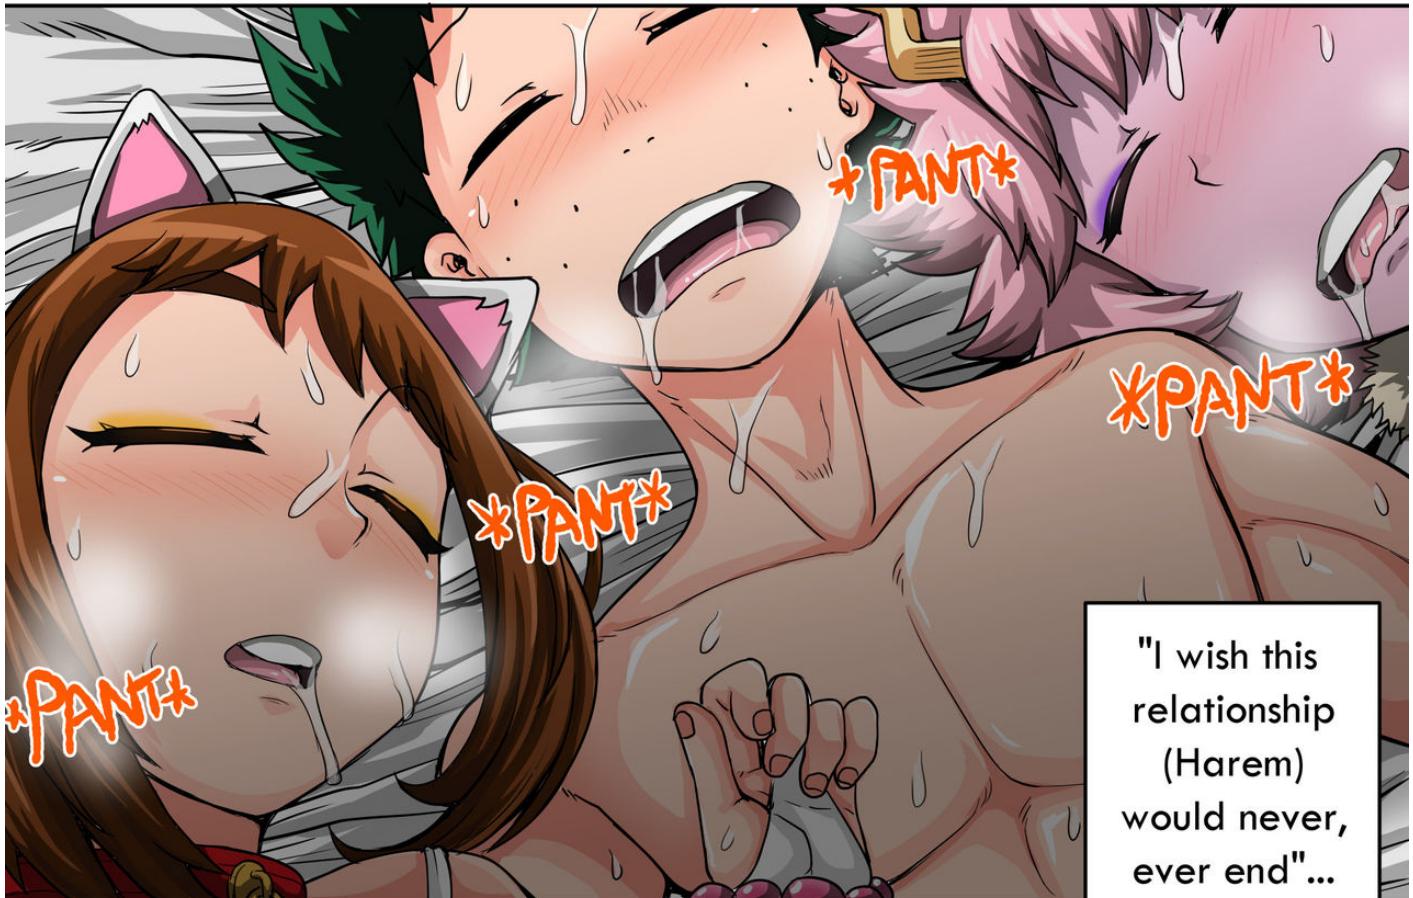

"And we
keep
doing
this..."

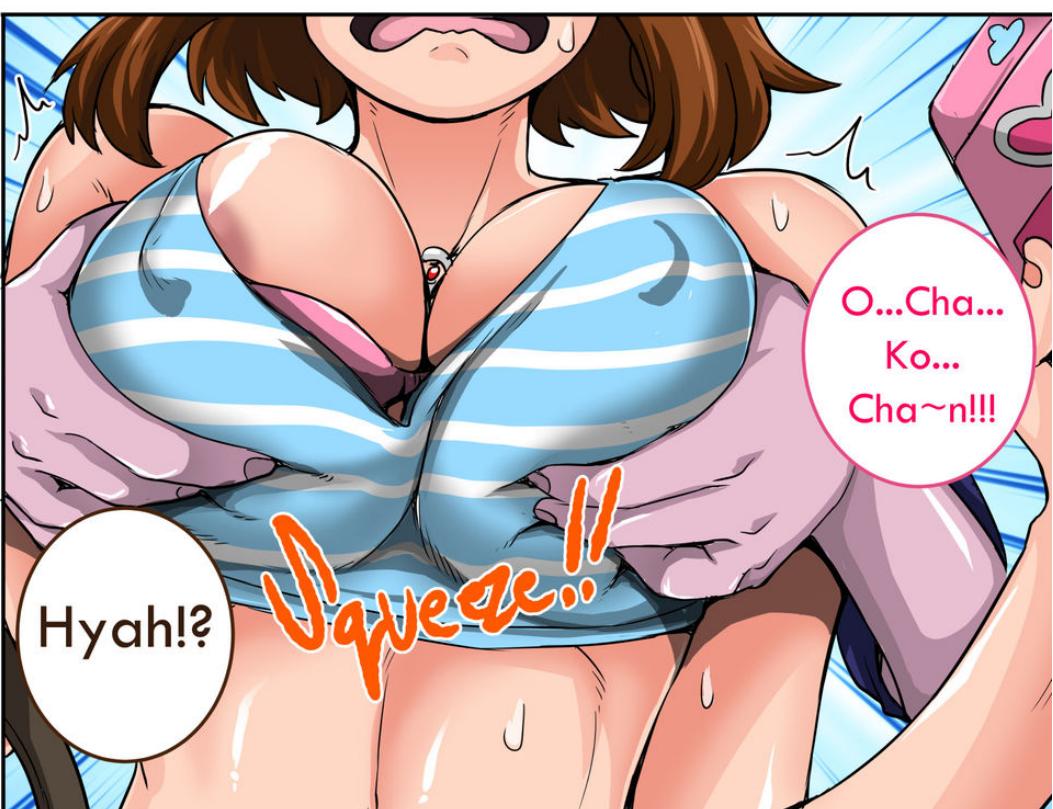

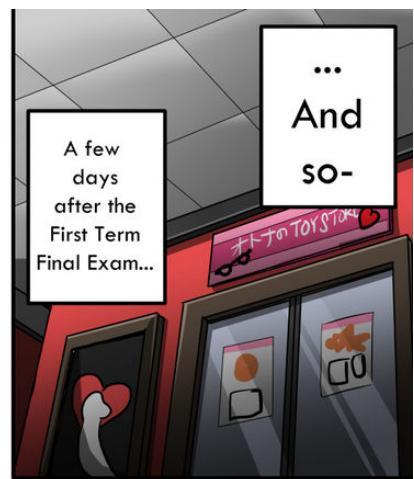

"I hope
nothing
changes..."

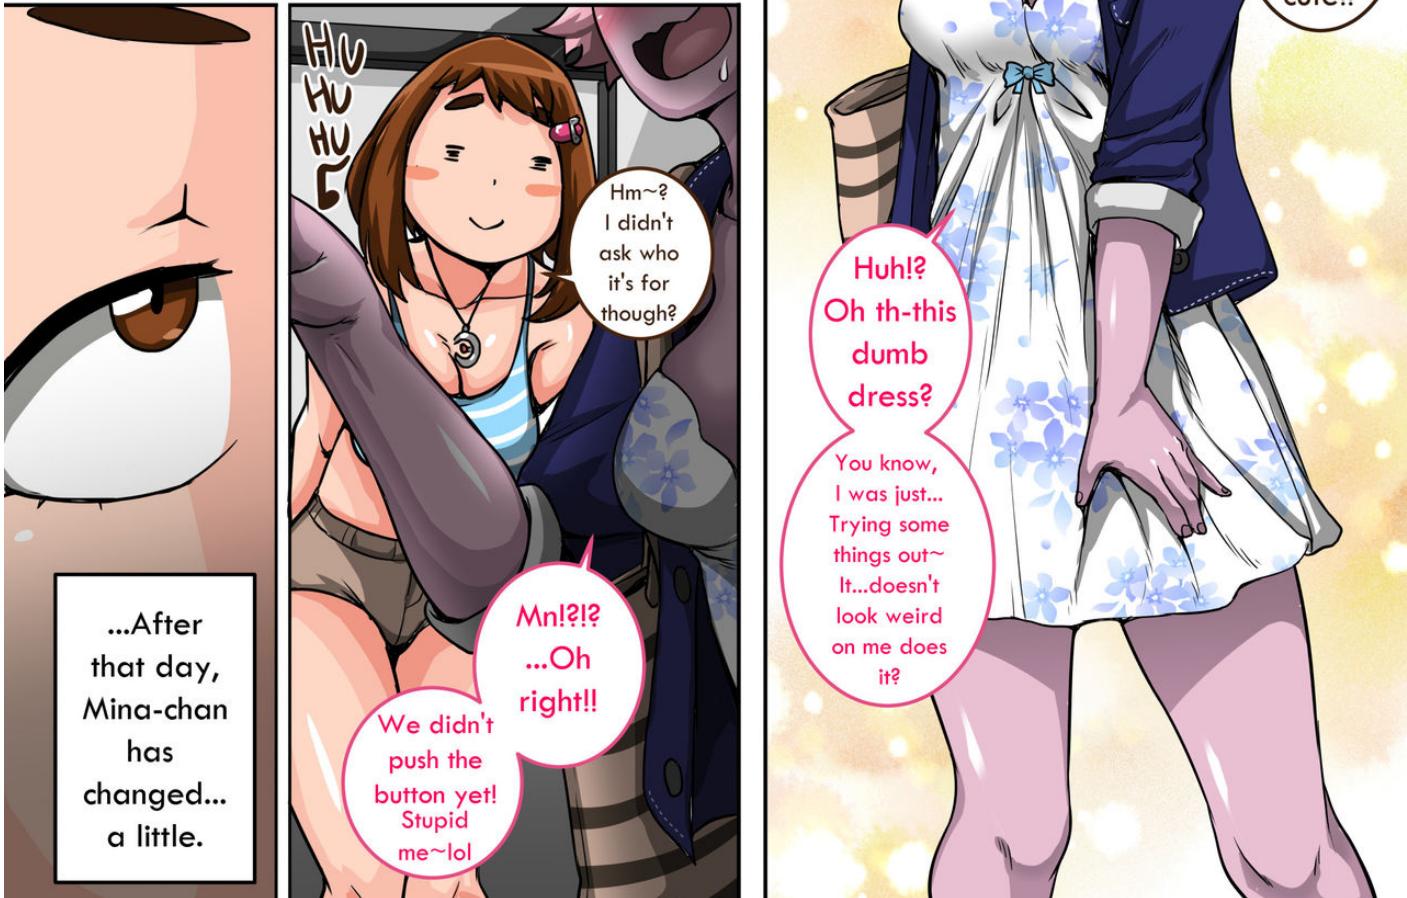

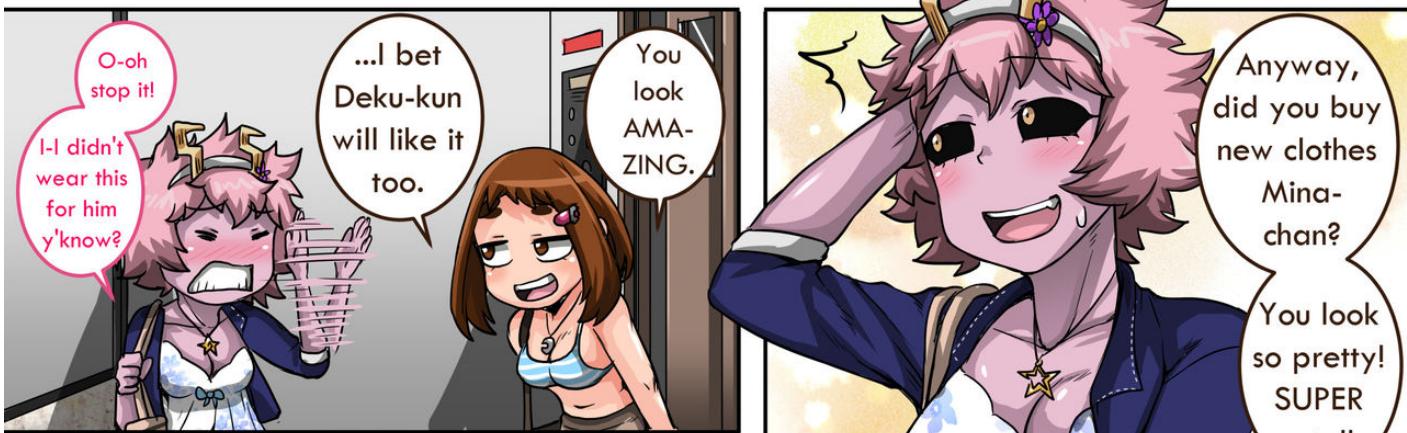

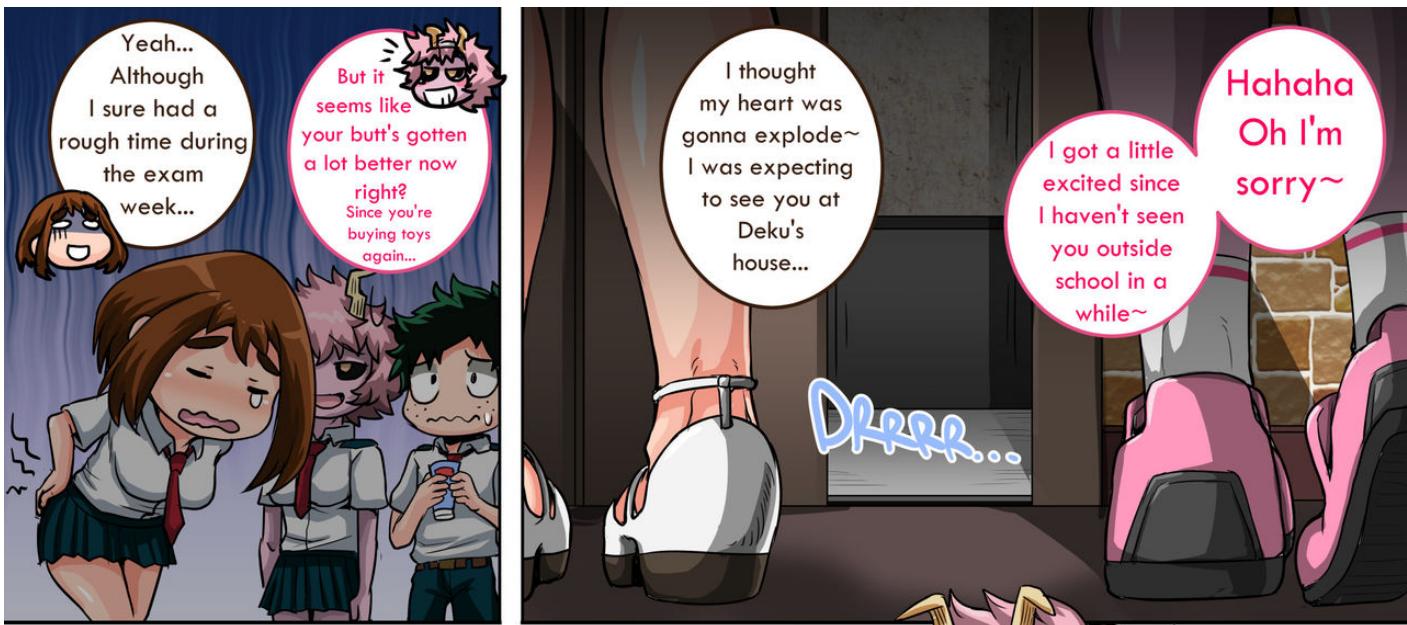

"I wish this
relationship
(Harem)
would never,
ever end"...

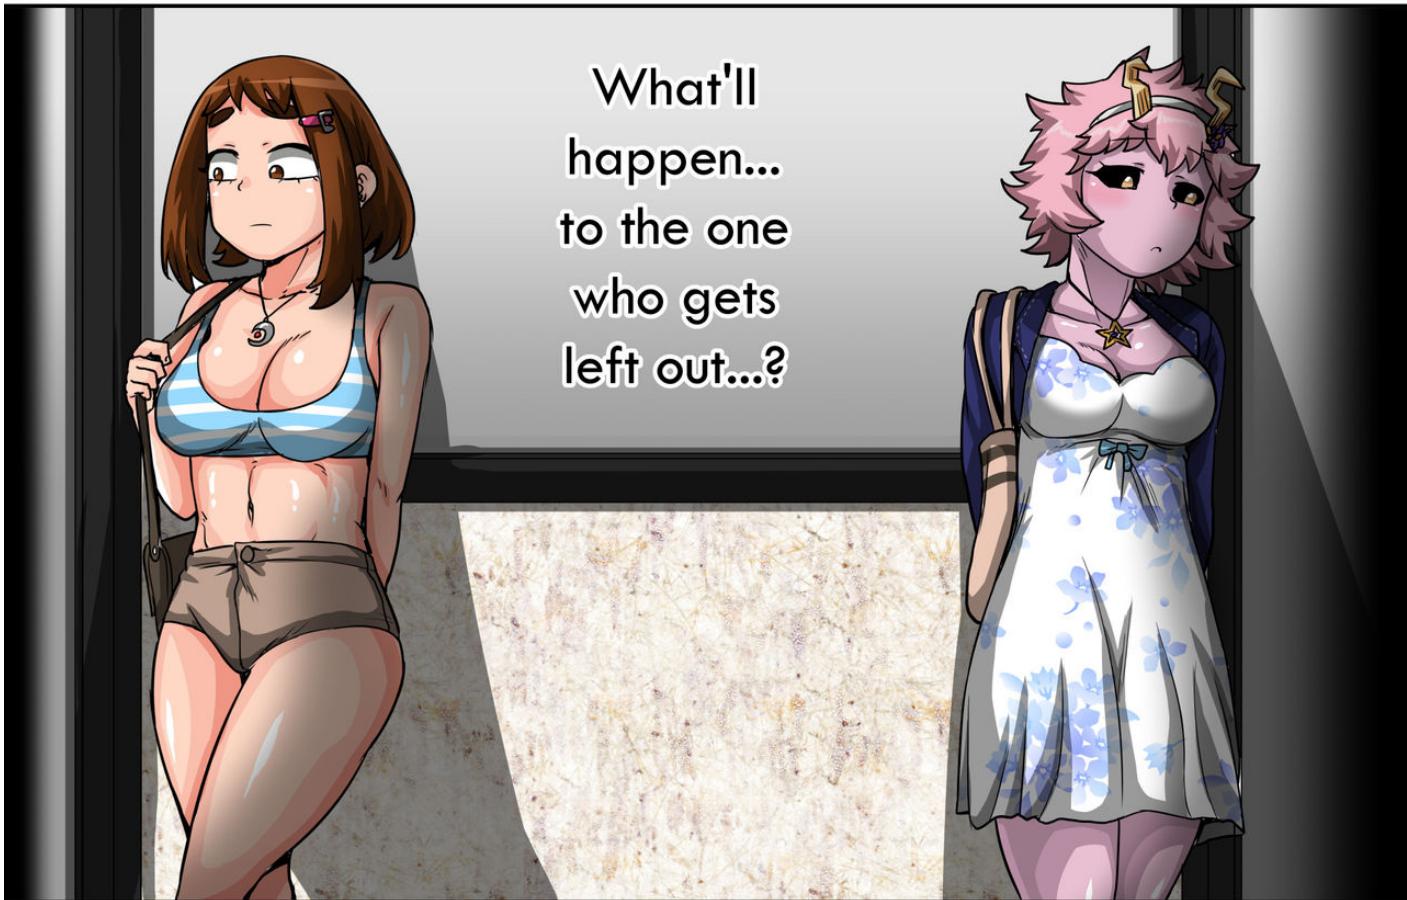

.....
...Is the last
thing I thought
to myself, as
I fell asleep
between my
sex-friends.

Main Story
~END~

Tomorrow is the day
Midoriya and the two girls
are meeting since their
break due to the big exam.

Mnnph~
Ahh no~ I'm
gonna cum...
My ass is going
crazy~!!

After her amazing
first anal sex she had,
she couldn't resist to
wait any longer and
decided to play with
her ass in the bathroom.

Oh no...
I can't...hold
my moans in
anymore...!!

SPLRRT...
PLUNNNT!

...Mnph!?
Guh...Hm...
Hnng!!!

Hug me
tighter~
Izuku~~~
Make love
to me...~

She would then
hug it as tightly
as she can, and would
move her legs as if
she's making love
with the pillow.

Ahh~
I...Izuku~

And as for
Asido, who is
also meeting
Midoriya-

That night,
the girls came
up to 5 times.

Izuku~
M-more...
I want
more~!!

Bought a cheap
hugging pillow from
the internet and taped
Midoriya's picture and
a dildo.

AFTERWORD ❤

Thank you everyone who bought my comic!

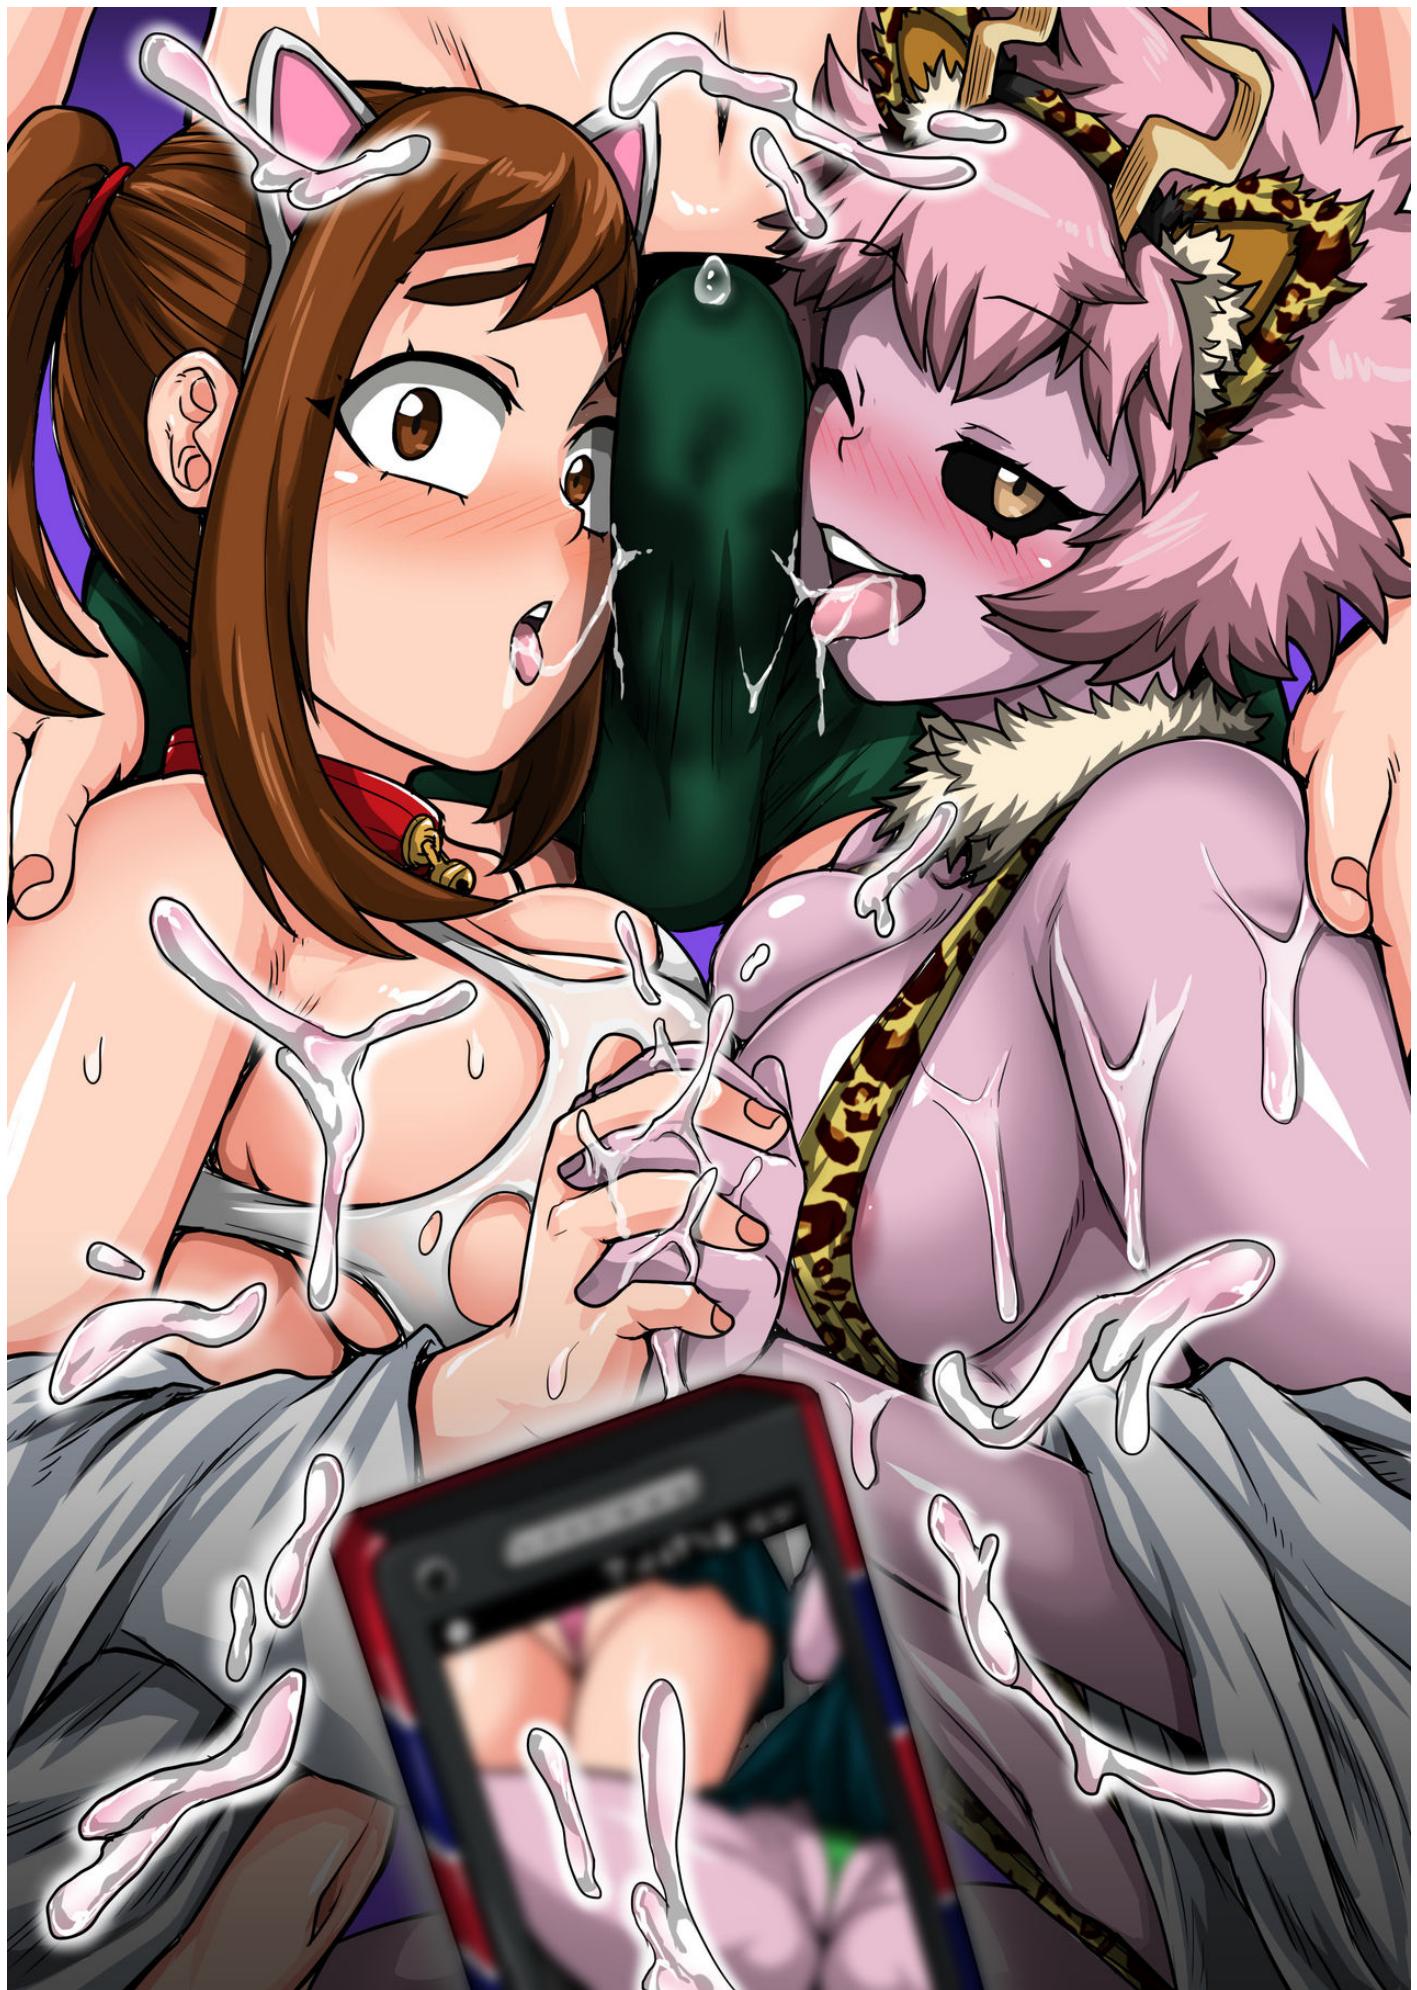

Drawing two 3-months-and-a-half-long-to-draw full colored manga back to back sure was tiring in many ways! lol

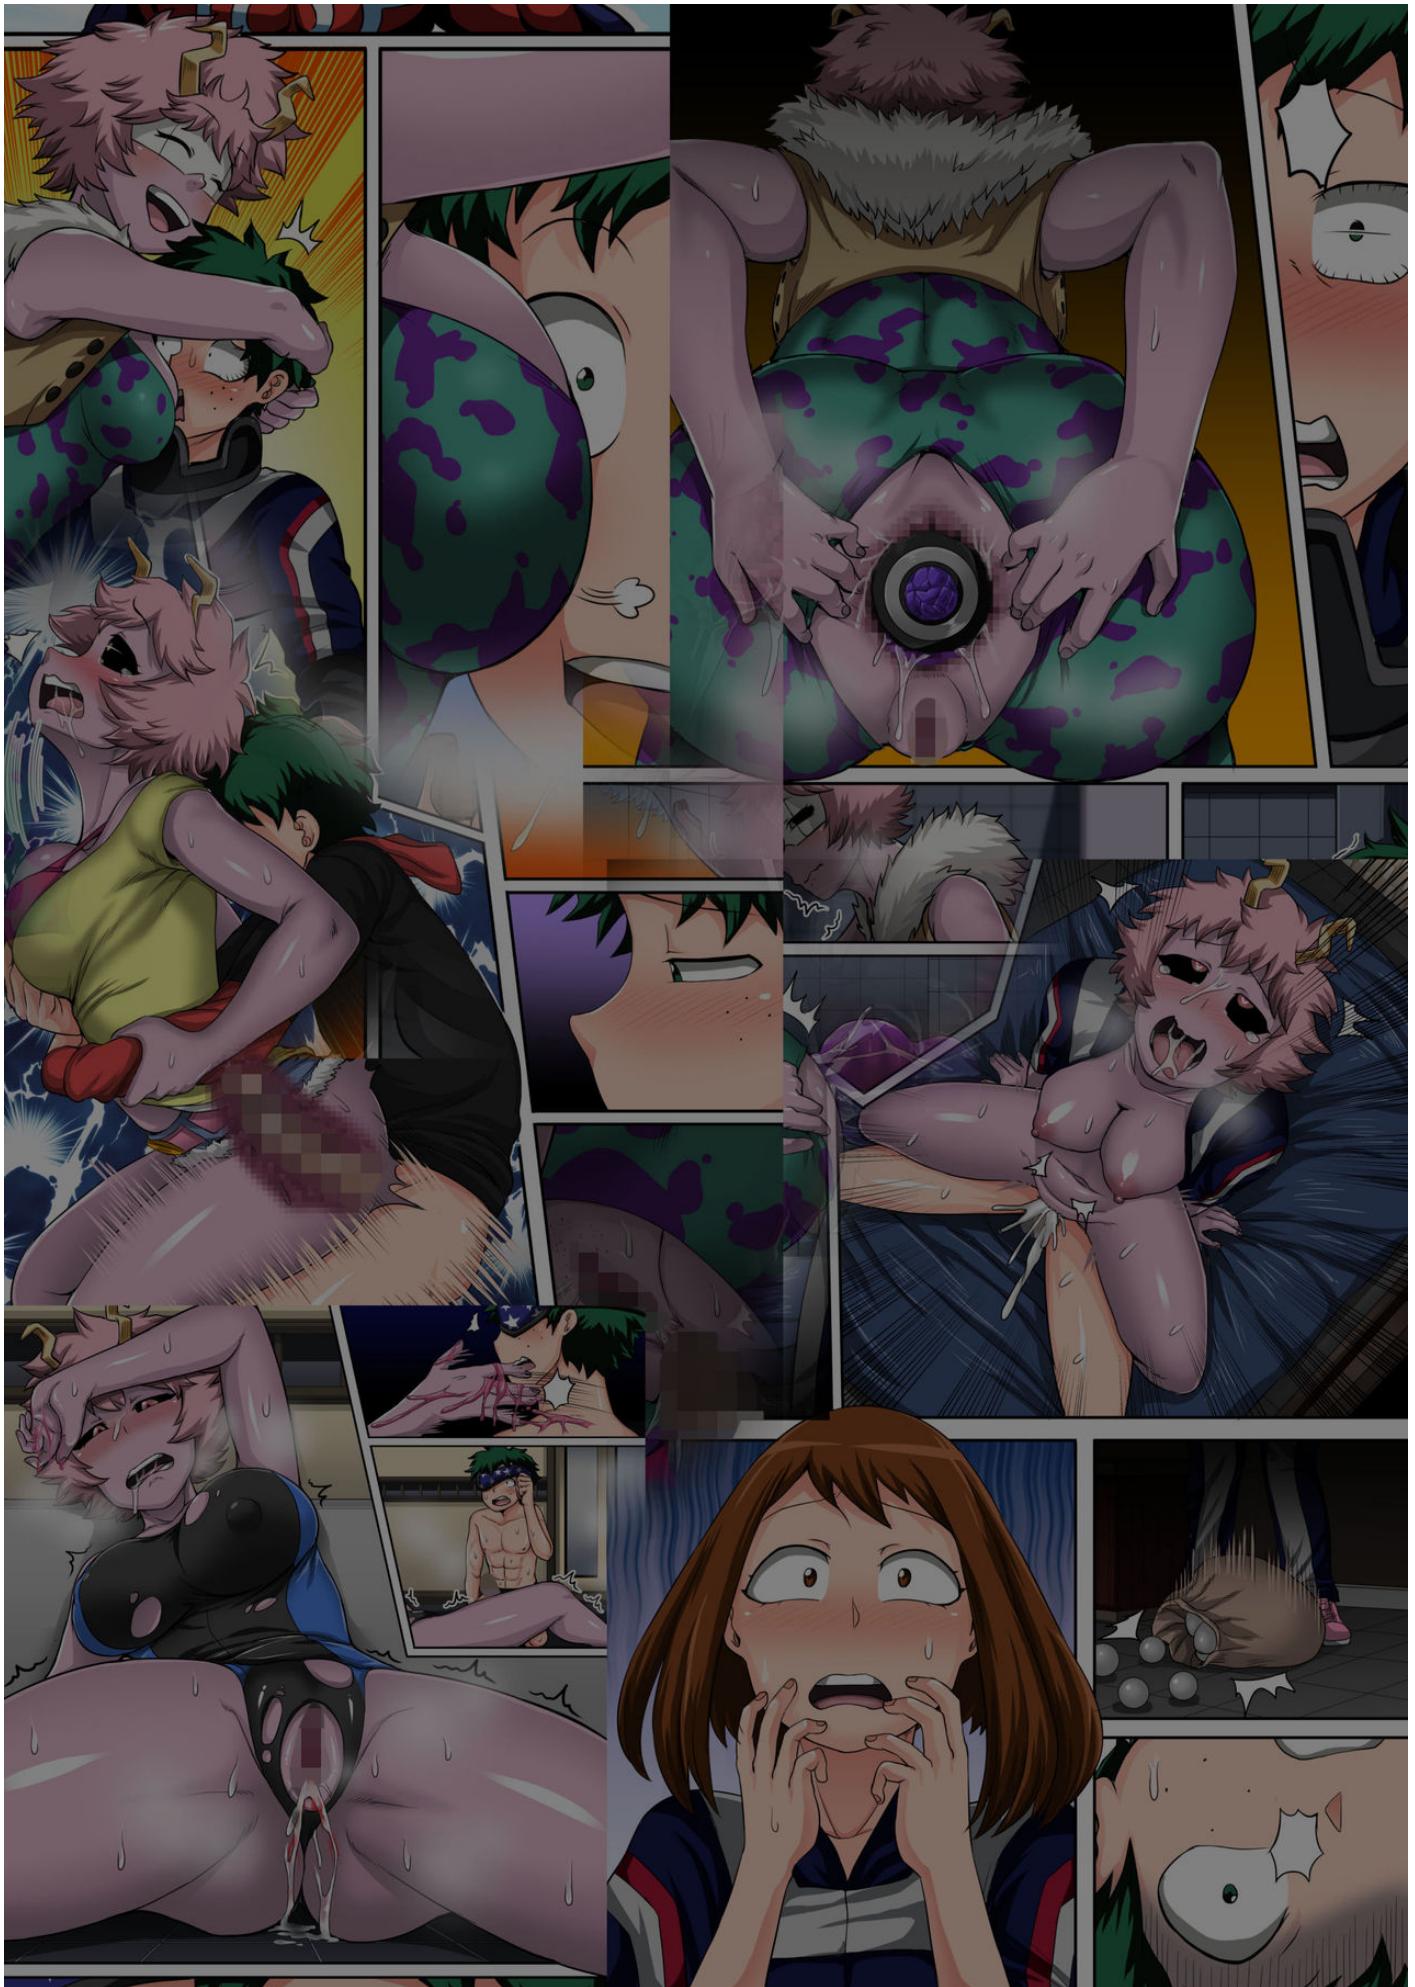

Since I had to draw two girls, Ochako and Mina at once I felt the work was twice harder for me to finish. But still I had a lot of fun doing it and didn't feel sick of it during the middle. Although I have to say I'm thinking of hiring an assistand so I can finish a little bit faster lol.

My plans for Harem Academia are done for this year, and I will start drawing around next year.
(Probably around next summer?)

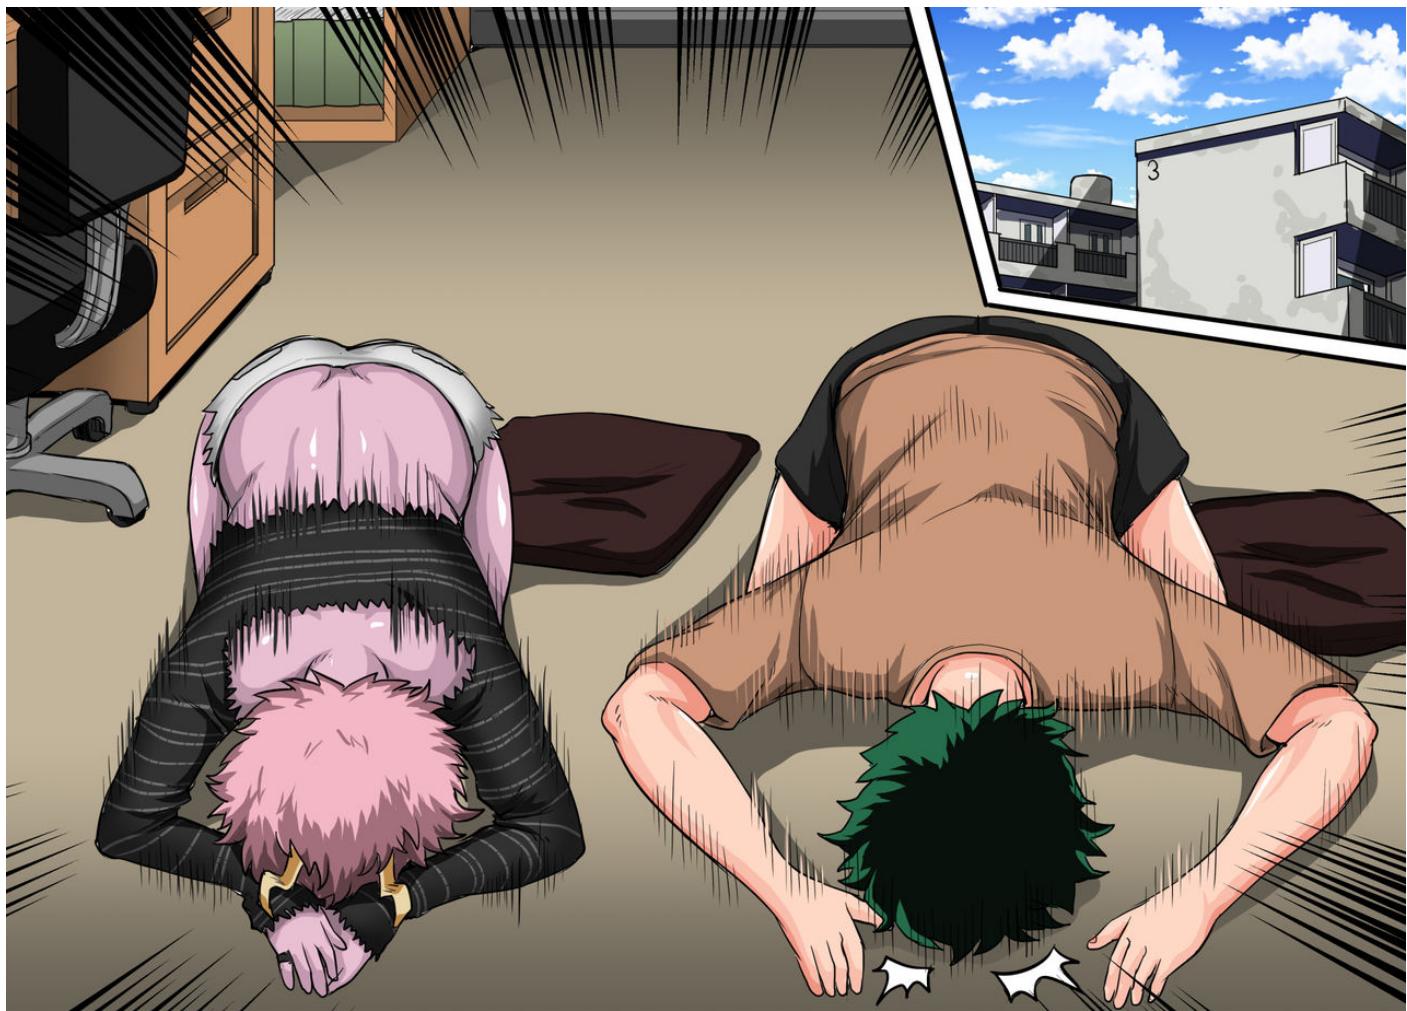

Since I have so many comics I want to draw but so few hands, it's really hard to keep schedule...
I will try and comeback with a more lewd and entertaining manga when I get back!
